Internet Marketing Research: Theory and Practice Lee, Oon, 2000-07-01 Internet marketing has become an important issue for many businesses around the world which have any form of commercial presence on the net It is often perceived that doing business on the Internet mostly requires competency

in the technology area However as many dot com companies are failing due to lack of revenue generation which could be induced by the inadequate marketing and marketing research practitioners and scholars of e commerce are keen to obtain a better understanding of the whole phenomenon of Internet marketing To understand what s working as an Internet marketing strategy or tactic one needs to conduct marketing research using rigorous statistical methodology **Why Reading Books Still Matters** Martha C. Pennington,Robert P. Waxler,2017-08-29 Bringing together strands of public discourse about valuing personal achievement at the expense of social values and the impacts of global capitalism mass media and digital culture on the lives of children this book challenges the potential of science and business to solve the world s problems without a complementary emphasis on social values The selection of literary works discussed illustrates the power of literature and human arts to instill such values and foster change The book offers a valuable foundation for the field of literacy education by providing knowledge about the importance of language and literature that educators can use in their own teaching and advocacy work
