Sports Hypnosis in Practice Joseph Tramontana, 2011-06-10 This book offers new strategies and scripts for hypnotherapists sports counsellors and sports psychologists working with athletes to help them achieve their peak performance A major focus of the book is that the therapist does not necessarily need to be familiar with the sport or activity to serve as a mental coach to the athlete The athlete is instructed that the goal is not to improve the mechanics of their performance that is left up to their coaches but rather to help them to relax concentrate and focus so that they fulfill their maximum potential They learn not to let the mental side of their game trip up the physical side but rather to enhance it

Case Studies in Coaching Ethics Anthony Parish, Timothy Baghurst, 2023-09-15 Coaches are placed in a myriad of ethical decision making situations Making decisions such as playing time boosters parents social media power differentials scholarships and relationships are just a few examples of what a coach may need to navigate While many day to day

situations are easily resolved some are not Therefore how and by what process should a coach make these decisions This book presents a variety of cases based on true stories that present some of the ethical decisions coaches must make across high school collegiate and professional sports Using a sequential system of less to more complicated 40 case studies are presented across the sports spectrum that coaches have experienced This is a key component of the book Although names and situations have been changed these cases have happened and provide real applicability to coaches In addition each case may contain multiple situations perhaps with no right answer that test a coach's value system and ability to prioritize actions Questions are provided at the end of each case that allow for reflection The primary audience for this book includes current coaches as well as students in coach education programs at both the undergraduate and graduate levels Leadership Peter G. Administration of Health and Physical Education Programs, Including Athletics Charles Augustus Bucher,1971

Here Come the Colts Doug Bennett,2012-09 Here Come the Colts That was the slogan that was written on the side of the team buses and this is the story of a decade of championship football the Atlanta Colts of the 1970's who won 17 of a possible 30 championships in the three age weight classifications of the Georgia Youth Football Conference from 1970 1979 dominating that league in that decade This book is about the players and coaches in the decade of the 1970's for this Atlanta Colt youth football program the ACYA based in north Atlanta Georgia who participated in the three age and weight classifications of the varsity program It also includes information and recounts about some of the opposing teams and their coaches and layers that made up metropolitan Atlanta's most competitive big league youth football organization of the era of the 1970's the Georgia Youth

Football Conference It is the author's tribute to the ACYA founder and leader the late Bob Johnson who is mentioned frequently throughout the book The Atlanta Colt Youth Association program aka ACYA was often referred to as the number one Pop Warner sanctioned youth football program in the entire US in the 1970's The book is written in narrative from the perspective of the author who participated as one of the Varsity Colt head coaches in the last eight years of that decade 1972-1979 and observed the 1970 and 1971 seasons from an Interleague coaching position within that same famous Pop Warner program The chapters detail the author's recollections and opinions and most of the detail centers mainly around his own players and teams experiences The author provides season by season summaries of each of the varsity Colt teams highlighting some of the most important games in which his own team participated with capsules of many others He also reveals some of the strategies employed in detail and the actual on the field rationale and logic behind many of the significant plays and events in some of those games The author is Doug Bennett who was a head coach for the varsity Colts for nine years and participated in the ACYA program a total of 12 years from 1969-1980 In the subject decade of this book the 1970's Bennett was a varsity Colt Head Coach for the years 1972-1979 His teams won six consecutive GYFC championships from 1972 to 1977 finishing second in 1978 and third in 1979 Using a combination of research from written historical material actual game films and the author's memory as much detail as possible is written including the author's recollection of specific game circumstances situations and plays with emphasis on individual player and team performances etc There are chapters describing the program's and author's philosophies and strategies on Offense Defense Special Teams Practice and Game Preparation providing written description and analysis of how these championship teams were built from the first day of practice through the end of a season as it was learned from the legendary Coach Bob Johnson The ACYA program was not only a football program for the children it was almost a society within the society of the Dunwoody area and surrounding neighborhoods in the northern suburbs of Atlanta Georgia particularly in the decade of the 70's It was run totally by adult volunteers whose dedication allowed the program to prosper and flourish from its inception in 1965 The ACYA program was the annual focal point in the lives of these families from the start of football tryouts in early August until the last bowl games in December for all of the years they were involved Lifelong friendships were formed there among the children football players and the adult parents and volunteers in those families The program still serves the community today and many of the volunteers who have been involved in recent years are former players from the era discussed in this book

Coaching or Cancer: Its All About the Team Rob Drake, 2014-04-22 This is my story of twenty eight years of coaching high school sports and dealing with success frustration failures adversity and building relationships along the way It is also about losing some of those relationships worrying about all of the what ifs and second guessing the things that were done Before it was over I was diagnosed with stage IV lung cancer and once again faced frustrations and adversity even so a strengthened faith and an overwhelming support system helped me deal with it In the blink of an eye those twenty eight

years were put into perspective and things that I had once thought were important were not. It was the life lessons that I tried to impart to those that I taught and coached that best serve me now and hopefully can give you perspective as well.

National Football League Strategies Frank P. Jozsa Jr., 2014-06-12 This Brief identifies and contrasts the groups of expansion franchises and any teams that relocated from one metropolitan area or city to another within the National Football League (NFL) during three distinct periods from 1920 to 2013. It discusses historical differences and similarities between the teams' markets and performances before 1933 and then as members of the NFL's divisions and conferences. It measures and compares the emergence, development, and success of the teams by analyzing demographic, economic, and sport-specific data. It also discusses the NFL's mergers with the All American Football Conference (1950) and American Football League (1970), outlining the reasons for and consequences of these mergers as well as their significance for sports fans and markets. The book makes an important, relevant, and useful contribution to the literature regarding professional sports operations and to the NFL's short and long-run business strategies in American culture. Besides numerous sports fans within metropolitan areas and extended markets of these NFL teams, the book's audiences are sports historians and researchers, college and public libraries, and current and potential NFL franchise owners and team executives. The book may also be used as a reference or supplemental text for college and university students enrolled in such applied undergraduate and graduate courses and seminars as sports administration, sports business, and sports management. **Success Magazine**, 1903
