ED ,1990 **Genocide: A Thematic Approach** Thomas Earl Porter, John Cox, 2025-04-08 The purpose of this volume is not simply to compile yet another wearying chronicle of the horrors that have been committed by our fellow human beings Most students who register for a course on Genocide assume that it will focus perhaps exclusively on the Holocaust the case with which they are most familiar Many of them have read Elie Wiesel s eloquent masterpiece Night in secondary school and some may have read The Diary of Anne Frank A few students might even know that a genocide occurred in Rwanda or Darfur Like most people however they equate genocide simply with mass killing and assume that genocide must by definition entail millions of deaths Raphael Lemkin who coined the word genocide meaning literally to kill a people originally defined it a colonial crime of destroying the national patterns of the oppressed and imposing the national patterns of the oppressors This

was a process Lemkin said deliberately intending to destroy a people's culture that could sometimes but not necessarily always result in mass murder. Students need to know that after World War II the great powers undermined and co-opted the process of writing the 1948 Genocide Convention at the UN because these nations did not want their own colonial crimes, oppression of minorities and destructions of cultures to be included in the definition. Instead they simply used the Holocaust as a template and succeeded in distorting what Lemkin originally meant by genocide: the murder of a people by destroying their social and cultural connections.

Gangs and Gang Crime Michael Newton, 2008. Throughout the history of the United States, gangs have existed in one form or another from the violent thugs of old New York to the holdup gangs of the Old West and from Prohibition-era bootleggers to modern-day street gangs. Each type of gang has posed a serious problem for law enforcement authorities. Police have developed numerous techniques for identifying gangs, tracking their activities, breaking up illegal rackets, and addressing the social issues that contribute to the formation of gangs. Gangs and Gang Crime details the history of criminal gangs and law enforcement efforts to fight them from the nineteenth century to the present.

Gothiniad Surazeus Astarius, 2017-10. *Gothiniad of Surazeus* Oracle of Gotha presents 150,792 lines of verse in 1,948 poems, lyrics, ballads, sonnets, dramatic monologues, eulogies, hymns, and epigrams written by Surazeus 1993 to 2000. **City and Shore** Gillian Mary Hanson, 2004-06-02. Certain settings have long been a common element in British mystery and detective fiction: the quaint village, the country manor, the seaside resort, the streets of London. More than simply providing background, physical setting in particular, the city of London and the British seashore takes on an added dimension in a sense, becoming a player in the mysteries, one that symbolizes, intensifies, and illuminates aspects of the British mystery novel. The first section examines 18 British mystery novels set in the city of London; the second covers 15 novels set by the sea. The novels span the twentieth century among the authors whose works are included are Agatha Christie, Graham Greene, G.K. Chesterton, and P.D. James. The book includes a short biography and listing of primary works for the authors covered, and appendices offer suggested fiction utilizing the two settings and critical nonfiction covering the genre.

The Gold of the Bandas: The History of the Nutmeg Horst H. Geerken, 2025-05-07. For a long time the Banda Islands were the only place on earth where the nutmeg would grow. The spice was transported along the arduous Silk Road to Europe, growing ever dearer as it travelled, and when the nutmeg was also touted as a panacea against the plague, it became for a while more valuable than gold. Some of the European powers began a race to find the Spice Islands. They wanted a share in the lucrative trade. The Portuguese were the first Europeans to reach the Spice Islands, followed by the Spanish and the English. The last to arrive were the Dutch, and their arrival triggered conquest wars and ruthless murder. While the Portuguese, Spanish, and English simply wanted to trade with the Bandanese, the Dutch aimed to take possession of the islands. Out of sheer avarice, they committed the first genocide in modern history there. Today the Bandas are inhabited almost entirely by the descendants of the slaves brought to the islands by the Dutch. The book contains many exciting and largely unknown stories about this tiny

archipelago for example that one of the islands was once exchanged for Manhattan or that properties on the island of Banda Neira were once the most expensive real estate in the world This fascinating book documents the history of the Banda Islands and the colonisation of Indonesia It describes world shattering events and shows how a little nut altered the course of world history *To the Stars* ,1959 Harper's Weekly John Bonner,George William Curtis,Henry Mills Alden,Samuel Stillman Conant,Montgomery Schuyler,John Foord,Richard Harding Davis,Carl Schurz,Henry Loomis Nelson,John Kendrick Bangs,George Brinton McClellan Harvey,Norman Hapgood,1883 **CMJ New Music Report** ,2001-11-05 CMJ New Music Report is the primary source for exclusive charts of non commercial and college radio airplay and independent and trend forward retail sales CMJ s trade publication compiles playlists for college and non commercial stations often a prelude to larger success **Dashing to the End** Eric Monder,2025-05-15 Born Alfred Reginald John Truscott Jones Welsh American actor Ray Milland 1907 1986 appeared in more than 135 theatrical releases between 1929 and 1985 and on radio television and the stage while also becoming a film director Milland s extensive canon across such a period is remarkable especially considering his lack of formal training his belated start in show business in his late twenties and the fact he only lived to age seventy nine Perhaps best remembered for his Oscar winning performance as the tortured alcoholic in Billy Wilder s *The Lost Weekend* 1945 or his outstanding collaboration with Alfred Hitchcock in *Dial M for Murder* 1954 there is much more to Milland s life and career than the few films that elevated him from star to icon Despite his prolific and successful career *Dashing to the End The Ray Milland Story* is the first comprehensive biography of the star Milland s personal and professional trajectory epitomize quintessential Hollywood lore the British army soldier turned actor who went from unknown struggling bit player to Oscar winning star to aging scandal haunted has been to comeback character actor to present day cult figure Using interviews with Milland s costars and colleagues as well as research from several major archives author Eric Monder brings into sharp relief both the positive and negative aspects of the Hollywood film and television industries and paints a well rounded portrait of this complex man and artist **Perspectives on the Grateful Dead** Robert G. Weiner,1999-09-30 The Grateful Dead one of the most meticulously documented rock bands significantly influenced American music and popular culture Its popularity has endured for three decades despite mixed critical reception Jerry Garcia thought of among many as a musical icon and spokesperson for more than one generation of fans was often equally scorned by various critics This collection of scholarly essays attests to the varied fields of interest the band and its followers known as Deadheads have affected including psychology law and ethnomusicology The contributions explore the diversity of the culture of fans empirically analyze the music apply literary criticism to the lyrics and explore Dead related philosophical and theological concepts in other words they are as eclectic as the myriad Grateful Dead fans themselves Appealing to Grateful Dead scholars fans and collectors alike these twenty two essays are grouped by subject and each essay includes a bibliography of resources for further research *Black & White* ,1891 **Writing Westerns** Mike
