Building Relationships Dawn Shepherd, 2016-04-04 Matchmaking is a tradition as old as marriage itself and the activities and practices surrounding it have shifted alongside marriage Building Relationships Online Dating and the New Logics of Internet Culture uses an apparatus approach to media analysis to examine logics of compatibility online dating site procedures and user narratives of popular matchmaking sites Shepherd's investigation serves as a case study to help understand the larger relationship

between contemporary identity and what she calls matching technologies as well as the complex of big data computational processing and the cultural assumptions that power today's most popular web applications *The Oxford Guide to Australian Languages* Claire Bowern, 2023 This book is a wide ranging reference work covering the more than 550 Indigenous languages of Australia The chapters in the book explore typology and classification linguistic structures sociolinguistics and language variation and language in the community The final part offers sketches of a selection of languages sub groups and families **Advances in the Leading Paradigms of Urbanism and their Amalgamation**

Simon Elias Bibri, 2020-06-20 This book explores the recent advances in the leading paradigms of urbanism namely compact cities eco cities and data driven smart cities and the evolving approach to their amalgamation under the umbrella term of smart sustainable cities It addresses these advances by investigating how and to what extent the strategies of compact cities and eco cities and their merger have been enhanced and strengthened through new planning and development practices and are being supported and leveraged by the applied solutions pertaining to data driven smart cities The ultimate goal is to advance sustainability and harness its synergistic effects on multiple scales This entails developing and implementing more effective approaches to the balanced integration of the three dimensions of sustainability as well as to producing combined effects of the strategies and solutions of the prevailing approaches to urbanism that are greater than the sum of their separate effects in terms of the tripartite value of sustainability Sustainable urban development is today seen as one of the keys towards unlocking the quest for a sustainable world And the big data revolution is set to erupt in cities throughout the world heralding an era where instrumentation datafication and computation are increasingly pervading the very fabric of cities and the spaces we live in thanks to the IoT Big data and the IoT technologies are seen as powerful forces that have tremendous potential for advancing urban sustainability Indeed they are instigating a massive change in the way sustainable cities can tackle the kind of special conundrums wicked problems and significant challenges they inherently embody as complex systems They offer a multitudinous array of innovative solutions and sophisticated approaches informed by groundbreaking research and data driven science As such they are becoming essential to the functioning of sustainable cities Besides yet knowing to what extent we are making progress towards sustainable cities is problematic adding to the fragmented conflicting picture that arises of change on the ground in the face of the escalating rate and scale of urbanization and in the light of emerging ICT and its novel applications In a nutshell new circumstances require new responses This timely and multifaceted book is intended for a wide readership As such it will appeal to researchers academics urban scientists urbanists planners designers policy makers and futurists as well as all readers interested in sustainable cities and their ongoing and future data driven transformation **Paperbound Books in Print** ,1975 **Children's Books in Print** R R Bowker Publishing, Bowker, 1999-12 **Forthcoming Books** Rose Arny, 1997 **Bowker's Law Books and Serials in Print** ,1993 **Who's who in the South and Southwest** ,2003 Includes names from the States of Alabama Arkansas the District of
