Leonard Gillams

Cogic Deacon Manual:

The Mission of the Deacon Roderick L. Evans, 2025-02-20 In this publication we will discuss the guidelines for the aspirant C O G I C Deacon It is our endeavor to help those entering the deacon s service ministry through providing supplemental support as they navigate the execution of their duties In addition we will provide basic protocols for the Deacon s purpose and function **Handbook for Deacons** J. D. O'Donnell, 1973-06 To help readers discover what the Scriptures say about the duty of a deacon O'Donnell explores the biblical basis for these servants of God giving relevant application to the works they are to perform **Divine Callings** Richard N. Pitt, 2012-02 One of the unique aspects of the religious profession is the high percentage of those who claim to be called by God to do their work This call is particularly important within African American Christian traditions Divine Callings offers a rare sociological examination of this markedly understudied phenomenon within black ministry Richard N Pitt draws on over 100 in depth interviews with Black Pentecostal ministers in the Church of God in Christ both those ordained and licensed and those aspiring to examine how these men and women experience and pursue the call Viewing divine calling as much as a social process as it is a spiritual one Pitt delves into the personal stories of these individuals to explore their work as active agents in the process of fulfilling their calling In some cases those called cannot find pastoral work due to gender discrimination lack of clergy positions and educational deficiencies Pitt looks specifically at how those who have not obtained clergy positions understand their call exploring the influences of psychological experience the congregational acceptance of their call and their response to the training process He emphasizes how those called reconceptualize clericalism in terms of who can be called how that call has to be certified and what those called are meant to do offering insight into how social actors adjust to structural constraints Commodity Activism Roopali Mukherjee, Sarah Banet-Weiser, 2012-02-01 Buying RED products from Gap T shirts to Apple to fight AIDS Drinking a Caring Cup of coffee at the Coffee Bean Tea Leaf to support fair trade Driving a Toyota Prius to fight global warming All these commonplace activities point to a central feature of contemporary culture the most common way we participate in social activism is by buying something Roopali Mukherjee and Sarah Banet Weiser have gathered an exemplary group of scholars to explore this new landscape through a series of case studies of commodity activism Drawing from television film consumer activist campaigns and cultures of celebrity and corporate patronage the essays take up examples such as the Dove Real Beauty campaign sex positive retail activism ABC s Extreme Home Makeover and Angelina Jolie as multinational celebrity missionary Exploring the complexities embedded in contemporary political activism Commodity Activism reveals the workings of power and resistance as well as citizenship and subjectivity in the neoliberal era Refusing to simply position politics in opposition to consumerism this collection teases out the relationships between material cultures and political subjectivities arguing that activism may itself be transforming into a branded commodity *The Deacon's Handbook* Leonard Gillams, 2023-08-21 The Deacon s Handbook is more than just a resource for those serving as deacons

and those who aspire to be one The fact is that you don't have to be a deacon to apply principles that God would smile upon The wisdom in this handbook transcends sex age and educational background In other words it may be geared for deacons but it can benefit anyone Leonard Gillams a longtime ordained deacon observes that while no one is perfect how we behave informs ourselves others and God Himself on how we are measuring up to His Holy standards He considers questions such as How did the deacon's ministry develop How can a deacon effectively interact with a congregation How can a deacon build a strong spiritual foundation from which to serve the church The author emphasizes that just as God holds deacons responsible for the churches they serve He also expects them to take care of their families Get guidance to succeed at church and at home with wisdom steeped in Scripture and firsthand experience

The Deacon's Handbook Lori Wiersma, Connie Kuiper VanDyke, 2009 Deacons serve God's people and God's church in so many ways They assess needs promote stewardship and hospitality collect and disburse resources confront injustice and develop programs of assistance Whether you're a seasoned deacon or someone who's new to church leadership this handbook will help you perform your duties with efficiency and compassion in a way that shows the love of God to those around you The Deacon's Handbook is a book every deacon should own and use

The Biblical Deacon and the Deaconess Combined Training Manuals Bishop Larry A. Brookins, 2020-02-28 This is a combination of my two training manuals The Biblical Deacon and The Deaconess Both are designed to provide training for the church in training men and women for the offices and ministries of Deacon and Deaconess

The Deacon Manual M. Randy Morris, Sr., 2013-10-11 EVERY SPIRITUAL LEADER SHOULD READ THIS BOOK Everyone that is called to be a leader in God's Kingdom should expose himself or herself to fresh revelation concerning service This book gives the new deacon the seasoned deacon as well as general leaders a glimpse of how to keep all things decent and in order in the Church The relationship between the pastor and leader should never be compromised Each should know how to function in their proper place of leadership Too long the Church has been plagued with implacable leaders who have embraced a spirit of rebellion thus hindering the will and purpose of God Spiritual correction is mostly viewed as a tool of confusion and offence but quite the contrary it is the spiritual vice that is needed to impel increase This book has been written to help bring Divine order in God's Kingdom

and congregation disregard the need to have trained deacons the office is allowed to recede into one of mere honor rather than service established in Christ On the other hand trained deacons or those in training discover exciting opportunities with which the office of deacons is filled They come to perceive the office as one of service rather than honor The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor Unquestionable God is looking for a special breed of deacons a New Testament breed who are Spirit filled and qualified To say that deacons are qualified is to say also that they are trained for the work of deacons A Process for Formulating an Elder and Deacon Training Manual for the Wheaton Evangelical Free Church, Wheaton, Illinois R.
