person by an anonymous pet professional of over 20 years this short book reads as a humorous and lighthearted conversation exploring the undisclosed realities of cockapoo ownership and the struggle to find a balance between their needs and your own as a prospective cockapoo owner Don't Buy a Cockapoo has been described as a cathartic experience for those who have had negative experiences relating to cockapoos and also those who are passionate about animal ethics Don't Buy a Cockapoo Description Cockapoos or cockerpoos as they are sometimes called are a crossbreed between a poodle and a cocker spaniel They have bloomed in popularity over the past 20 years for many reasons and are now living their best lives as furry additions to our homes and hearts This mixed breed of dog is regarded to be well tempered and obedient while also possessing good overall health They truly are adorable with their big round eyes affectionate personalities and generous kisses It is believed that with a cockapoo you will have a forever puppy who wants to please you play with you and be your number one sidekick I bet you've heard that cockapoos have the loyal heart of our sweet natured cocker spaniels mixed with the calm focused intelligence and sophistication of a poodle minus the froufrou looks Cockapoos seem to be the best of both worlds So what's the big deal Why am I writing this at all That is a good question to ask and one which many pet professionals are unwilling to answer honestly to your face I have worked with many cockapoos who have been wonderfully well adjusted dogs but before you fall victim to this breed's sweet face and charm there are some alarming behavioral concerns about the breed that you need to be aware of I am a pet professional and have been for nearly 20 years I have worked for veterinary hospitals grooming salons a college run animal clinic and finally for a kennel and dog rescue I love dogs I love them so much that I am willing to risk my reputation to share with you the dark truth about one of America's most beloved designer breeds Please read this short essay entirely before drawing any conclusions about my intent I'm just a passionate individual who doesn't want any animal or your family to suffer for a single moment because you could have decided against buying a cockapoo
