Code Of Silence Beneath The American Dream:

Runaway American Dream Jimmy Guterman, 2008-12-17 Over the course of a career now in its fourth decade Bruce Springsteen has earned one of the most passionate devoted followings in all rock n roll He s selling more records and concert tickets in his fifties than he sold in his twenties Yet to many fans he remains an enigma How has Springsteen produced such a consistent body of work and retained his currency while other top rock n rollers have gone by the wayside Jimmy Guterman an accessible and entertaining music writer has been writing about Springsteen since the late 1970s In Runaway American Dream he delves deep into dramatic and crucial moments from every phase of Springsteen s career interpreting the songs and incisively commenting on the man and the culture at large to deliver a nuanced portrait of The Boss from the earliest days right up to Springsteen s 2005 album Devils Dust

Autoworkers Under the Gun Gregg Shotwell, 2012-02-14 The veteran autoworker and author of the pro labor newsletter Live Bait Ammo offers a blow by blow analysis of workers rights under attack Greg Shotwell was a machine operator at General Motor s Delphi division during its tragic spinoff from GM and eventual bankruptcy He watched from a front row seat as the United Auto Workers Union collaborated with antilabor policies that led to plant closings and cuts to wages and benefits A dissident member of the UAW Shotwell made a name for himself chronicling the outrages and absurdities of corporate managers and corrupt union leaders in his popular shop floor newsletter Live Bait Ammo Autoworkers Under the Gun collects Shotwell s essential writings during that fateful period These LB A fliers quickly grew legs of their own distributed by rank and file workers in auto plants across the United States and cited by industry analysts Spanning a decade of autoworker resistance this body of work stands as a call to action for a new generation of workers coming of age in recession wracked America

Code of Silence Jenny M. Miller, 2009-06 To understand the journey from darkness into light you must follow the path from the childhood beginning of the abuse to the adult behavioral consequences and finally to the recovery and reclamation of life In the beginning abuse is delivered by the those who should have been there to comfort to protect Physical emotional sexual abuse are familiar denizens of childhood years for all too many children And of course there s the cover up bury the memories deep hide the pain live in desperation and unending solitude a hard place to live a hard place to leave a hard place to survive Because no one really wants to know the truth No one wants to look too closely at just how tragic the effects of abuse are I choose to part the veil of silence atrocities brought into the light diminish in power and no longer control me And in the process if I can help lead others out of the shadows into the light then my journey is not in vain
