Go Now to Shiloh Blake Hearson,2020-10-15 In the Old Testament God revealed himself to people in particular places so they might communicate with him and worship him Unlike pagan deities who were connected to the created world God s worshipers had to rely on him to reveal himself Communication could be difficult but God made it possible through places such as Bethel Shiloh and the tabernacle In the New Testament Jesus takes these categories and applies them to himself showing that he alone is the access to God Subsequently the Holy Spirit comes and gives believers unprecedented access to God making them connecting points between God and the world *Go Now to Shiloh* by Old Testament scholar and professor Blake Hearson explores the challenges believers have faced over the centuries when communicating with God and shows what an immense gift we have as New Testament believers

Jewish Philosophy Past and Present Daniel Frank,Aaron Segal,2016-07-22 In this innovative volume contemporary philosophers respond to classic works of Jewish philosophy For each of twelve central topics in Jewish philosophy Jewish

philosophical readings drawn from the medieval period through the twentieth century appear alongside an invited contribution that engages both the readings and the contemporary philosophical literature in a constructive dialogue The twelve topics are organized into four sections and each section commences with an overview of the ensuing dialogue and concludes with a list of further readings The introduction to the volume assesses the current state of Jewish philosophy and argues for a deeper engagement with analytic philosophy exemplified by the new contributions Jewish Philosophy Past and Present Contemporary Responses to Classical Sources is a cutting edge work of Jewish philosophy and at the same time an engaging introduction to the issues that animated Jewish philosophers for centuries and to the texts that they have produced It is designed to set the agenda in Jewish philosophy for years to come **Haggai, Zechariah** Mark J. Boda, 2004 The NIV Application Commentary Series The setting Jerusalem Recently returned from Babylonian captivity the Jews are occupied with personal pursuits while the temple of Yahweh lies in ruins To the prophets Haggai and Zechariah falls the task of calling God's people to their forgotten priority rebuilding his house Heeding prophetic admonition the people overcome the obstacles that face them and prosper in their work thanks largely to the vision and encouragement of the prophets The books of Haggai and Zechariah represent a golden period in Old Testament history but they are often overlooked Yet these two minor prophets speak a major message to the church today It is one that calls us as a community of faith to the priority of God's house and inspires us with glimpses of its future glory Exploring the links between the Bible and our own times Mark J Boda shares perspectives on Haggai and Zechariah that reveal their enduring relevance for our twenty first century lives Most Bible commentaries take us on a one way trip from our world to the world of the Bible But they leave us there assuming that we can somehow make the return journey on our own They focus on the original meaning of the passage but don't discuss its contemporary application The information they offer is valuable but the job is only half done The NIV Application Commentary Series helps bring both halves of the interpretive task together This unique award winning series shows readers how to bring an ancient message into our present day context It explains not only what the Bible meant but also how it speaks powerfully today This series promises to become an indispensable tool for every pastor and teacher who seeks to make the Bible's timeless message speak to this generation BILLY GRAHAM Some commentaries build walls that isolate you back in the ancient world The NIV Application Commentary builds bridges that make the Bible come alive with meaning for contemporary life and the series does so concisely clearly and accurately No wasted words or academic detours just solid help and practical truth WARREN W WIEERSBE *Themelios, Volume 37, Issue 3* D.
