**Divine Callings** Richard N. Pitt, 2012-02 One of the unique aspects of the religious profession is the high percentage of those who claim to be called by God to do their work This call is particularly important within African American Christian traditions Divine Callings offers a rare sociological examination of this markedly understudied phenomenon within black ministry Richard N Pitt draws on over 100 in depth interviews with Black Pentecostal ministers in the Church of God in Christ both those ordained and licensed and those aspiring to examine how these men and women experience and pursue the call Viewing divine calling as much as a social process as it is a spiritual one Pitt delves into the personal stories of these individuals to explore their work as active agents in the process of fulfilling their calling In some cases those called cannot find pastoral work due to gender discrimination lack of clergy positions and educational deficiencies Pitt looks specifically at how those who have not obtained clergy positions understand their call exploring the influences of psychological experience the congregational acceptance of their call and their response to the training process He emphasizes how those called reconceptualize clericalism in terms of who can be called how that call has to be certified and what those called are meant to do offering insight into how social actors adjust to structural constraints **RQ**, 1992 **The Mission of the Deacon**

Mason in the Age of Jim Crow Elton H.

Weaver III, 2020-11-17 Bishop Charles H Mason in the Age of Jim Crow profiles the life and career of Charles Harrison Mason. Mason was the founder of the Church of God in Christ COGIC which from its Memphis roots grew into the most significant black Pentecostal denomination in the United States with profound theological and political ramifications for poor and working class black Memphians. Bishop Charles H Mason in the Age of Jim Crow is grounded in the history of the Jim Crow era. The book traces the origins of COGIC in Memphis; it reveals just how Mason's new black Pentecostal denomination grew, gained social and political power, and earned a permanent place in Memphis's black religious pantheon. This book tells how a son of slaves transformed a rural migrant movement into an urban phenomenon, how unusual religious demonstrations exemplified infrapolitical religious protests, and how these rituals of resistance changed black lives and helped strengthen and sustain blacks fighting for freedom in segregated Memphis. The author reveals why Charles H Mason was an important pre-civil rights religious leader who laid the groundwork for integrated churches. *Junior Quarterly | Teacher Manual Summer Quarter 2021 (Jun-Aug)* Church Of God In Christ Publishing House, 2021-06-08. Southern women: their lives and times. Page 4 of cover. [Philip's Daughters](#) Estrelda Y. Alexander, Amos Yong, 2009-01-01. This volume brings together twelve scholars from a variety of scholarly fields including biblical studies, history, theology, sociology, anthropology, and missiology in a multi-disciplinary exploration of themes related to women's leadership within the three branches of the renewal movement: Holiness, Pentecostal, and Charismatic traditions. These scholars, women and men from both within and outside the traditions, draw on various methodologies including hermeneutics, ethnography, critical theory, and historical analysis to explore the experiences and contributions of women from the movement's inception to the present. They keep before us the challenges that still impact women's full participation as equal partners in ministry and leadership on both the American and global scene. The volume looks at the multiple roots of women's marginalization within the renewal movement while suggesting progressive solutions that take seriously the social locations of Pentecostal and Charismatic congregations and the theological foundations on which the movement has been built. At the same time, it locates these discussions within the broader postmodern realities facing the church as it attempts to faithfully live out its witness to the biblical truth that both male and female are created in the God's image and endowed with the
