DESCRIPTION A passionate and inspiring meditation on what it means to be a woman from one of the leading voices in Latin American literature Isabel Allende English edition THE SOUL OF A WOMAN by Isabel Allende Ballantine Books 3 2 2021 When I say that I was feminist in kindergarten I am not exaggerating begins Isabel Allende As a child she watched her mother abandoned by her husband provide for her three small children without resources or voice Isabel became a fierce and defiant little girl determined to fight for the life her mother couldn t have As a young woman coming of age in the late 1960 s she rode the first wave of feminism Among a tribe of like minded female journalists she for the first time felt comfortable in her own skin as they wrote with a knife between their teeth about women s issues She has seen what has been accomplished by the feminist movement in the course of her lifetime And over the course of three passionate marriages she has learned how to grow as a woman while having a partner when to step away and the rewards of embracing one s sexuality So what do women want To be safe to be valued to live in peace to have their own resources to be connected to have control over their bodies and lives and above all to be loved On all these fronts there is much work to be done and this book Allende hopes will light the torch of our daughters and granddaughters with mine They will have to live for us as we lived for our mothers and carry on with the work still left to be finished
