**Earth's Children** Jean M. Auel, 2011 This novel of awesome beauty and power is a moving saga about people relationships and the boundaries of love. Through Jean M. Auel's magnificent storytelling we are taken back to the dawn of modern humans and with a girl named Ayla we are swept up in the harsh and beautiful Ice Age world they shared with the one who called themselves the Clan of the Caved bear. A natural disaster leaves the young girl wandering alone in an unfamiliar and dangerous land until she is found by a woman of the Clan, people very different from her own kind. To them, blonde-eyed Ayla looks peculiar and ugly; she is one of the Others, those who have moved into their ancient homeland but Iza cannot leave the girl to die and takes her with them. Iza and Creb the Olds must grow to love her and as Ayla learns the way of the Clan and Iza's way of healing, most come to accept her. But the brutal and proud youth who is destined to become their leader sees her differences as a threat to his authority. He develops a deep hatred for the strange girl of the Others who lives in their midst and is determined to get his revenge. Source 4 me de couverture [The Clan of the Cave Bear Proof](#)  
Jean M. Auel, 2010-10-01 *The Shelters of Stone* Jean M. Auel, 2002 Ayla and Jondalar have reached home, the Ninth Cave of the Zelandonii, the old stone age settlement in the region known today as south west France. Ayla has much to learn from the Zelandonii as well as much to teach them. Jondalar's family are initially wary of the beautiful young woman he has brought back with her strange accent and her tame wolf and horses. She is delighted when she meets Zelandoni, the spiritual leader of her people, a fellow healer with whom she can share her medicinal skills. After the rigours and dangers that have characterised her extraordinary life, Ayla yearns for peace and tranquillity to be Jondalar's mate and to have children. But her unique spiritual gifts cannot be ignored and even as she gives birth to their eagerly awaited child, she is coming to accept that she has a greater role to play in the destiny of the Zelandonii. **Los cazadores de mamuts** Jean M.
