who were also key advisers to the Russian navy at sea At the same time naval stores from Russia especially after Britain lost the American colonies were vital for the maintenance of Britain s fleet Moreover as this book argues Russian naval power was much more formidable than is often realised with the Russian navy active alongside the British fleet in the North Sea and winning decisive battles against the Ottoman navy in the Mediterranean including the battles of e me in 1770 and Navarino in 1827 Britain did well to have Russia as a naval ally rather than an enemy This book provides a comprehensive overview of this important subject at a time when Britain s relationship with Russia is of considerable concern Blue Peter ,1927
