Croteau, 2015-08-24 Regardless of what you may have heard Christianity is the fastest growing religion in the world today Islam is the second While Europe replaced it s Christian heritage with secular humanism Christianity is spreading around the globe in Africa Asia and Central and South America Christianity is now a universal worldview In America it s once Christian culture is being eroded from within by an intentional promotion of secular humanism and a rejection of the gospel in our universities media and the general public square Living out the Christian life in an increasingly secularized American culture has two imperatives 1 understanding the arguments in American culture for why Christianity is no longer relevant and how to easily defeat them and 2 examining your personal relationship with Jesus Christ to grow in the knowledge of His working in you This book is Volume 1 of a 4 volume
