Report Writing for Criminal Justice Professionals Larry S. Miller, John T. Whitehead, 2010-11-24 So much of the process of criminal justice depends on good documentation and criminal justice professionals can spend as much as 50 75% of their time writing up administrative and research reports Much of the legal process depends on the careful documentation that records crucial information And yet most of these law enforcement security corrections and probation and parole officers have not had adequate training in how to provide a well written accurate brief and complete report Report Writing for Criminal Justice Professionals provides practical advice on report writing with specific writing samples and guidelines The authors go beyond the routine English grammar approach to deal with the difficult but often ignored problem of documentation that will hold up in court Important concepts are emphasized with related checklists forms and pull out chapter tests The material is organized into three sections The Nature of Report Writing The Mechanics of Report Writing and The Modernization of Report Writing NEW TO THIS EDITION Updated and revised with new material on forensics and scientific reports crime reporting common errors in forensic reports and automation of report writing Appendixes are thoroughly revised with new examples of reporting forms worksheets and reports including a sample forensic lab report and presentence investigation report Text complemented by numerous examples sample reports and tools Each chapter concludes with a sample test for the reader to self evaluate learning Appendices include model reports examples of agency instructions for completing report forms and selected readings **Uniform Crime Reporting Handbook**, 1976

CRIME SCENE STAGING Arthur S. Chancellor, Grant D. Graham, 2016-12-02 This unique text has been written as a practical reference for detectives crime scene investigators and prosecutors on how to recognize a staged scene and how this offender behavior could be used as evidence in subsequent trials The book is designed to help those actively engaged in conducting criminal investigations identify the red flags or those common findings at a crime scene that point to the scene being staged or altered and thereby assist the investigative process The text is not only research based but also includes the authors f 30 year experience and personal observations in conducting hundreds of different crime scene investigations ranging from homicide and death burglary and other property crimes to rape and other sexual crimes This experience also includes interviewing hundreds of victims and suspects and conducting investigations from initiation of cases through prosecution The authors have located hundreds of examples of staging and have included many of them as case studies throughout the text Many of the case studies presented are based on the authors f personal involvement in them In addition to defining and categorizing the various aspects of staging the reader is also introduced to new terminology describing the different elements of staging based on offender motive and the dynamics of the events Other major discussions include primary and secondary staging as well as the two subcategories of primary staging premeditated and ad hoc staging Staging by individuals other than the offender and victim described as tertiary incidental scene alterations are included as are several

chapters on a variety of crimes and how to identify the red flags relevant to them A final chapter is written especially for prosecutors and offers suggestions and references on how the concept of staging might be introduced in court A very thorough Appendix provides reviews of many appellate court decisions from across the U S and Canada specifically addressing issues of staging **The Mysore Chief Court Reports** ,1905 Rodriguez V.
