

THE FAMILY GROUP CONFERENCE PROCESS

1

THE REFERRAL

The process starts by a family being referred to a family group conference service. The person who makes the referral is the 'referrer'. They will usually know and be working with the child or family. This could be a social worker, teacher or health visitor for example.

3

PREPARATION

- EIGHT STEPS

1. Initial preparation
2. Agreement for the family group conference to be held
3. Involving the child/young person
4. Agreeing who is invited to the family group conference
5. Practical arrangements
6. Meeting with invited family members and friends
7. Advocates for the young person or adults who would benefit from additional support
8. Information sharing by practitioners ahead of the family group conference

2

INDEPENDENT COORDINATOR APPOINTED

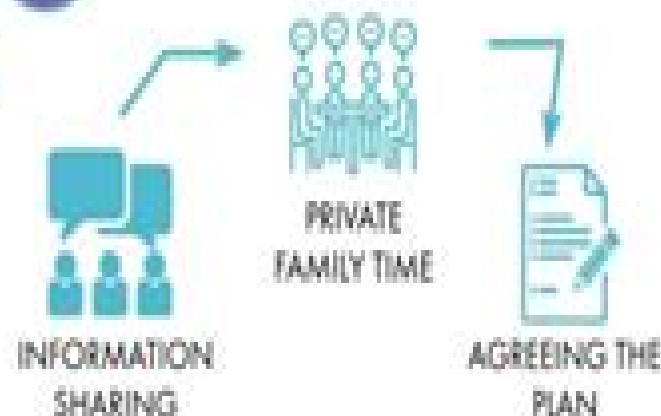

An independent coordinator is then appointed. Their job is to help families plan for their family group conference. They help the family to think about the plans and decisions that need to be made. They are neutral. This means that the coordinator will:

- Not influence a family to make a particular decision
- Be independent from any social worker from children's services that may be working with a family.
