Timely topics such as resiliency LGBT families and military families are addressed Editors Christine A Price Kevin R Bush and Sharon J Price cover timely topics such as resiliency LGBT families and military families to name just a few *Domestic Violence and Psychology* Paula Nicolson, 2019-01-11 Despite changes to laws and policies across most western democracies intended to combat violence to women intimate partner violence and abuse IPVA remains discouragingly commonplace *Domestic Violence and Psychology Critical Perspectives on Intimate Partner Violence and Abuse* showcases women s harrowing stories of living with and leaving violent partners offering a psychological perspective on domestic violence and developing a theoretical framework for examining the context intentions and experiences in the lives of people who experience abuse and abuse themselves Nicolson provides an analysis of survivors real life stories and thoughts about IPVA The attitudes of the general public and health and social care professionals are also presented and discussed The theoretical perspective employs three levels of evidence the material context discursive explanations and intrapsychic emotional *Domestic Violence and Psychology* is divided into three parts accordingly engaging qualitative data from interviews and quantitative data from surveys to illustrate these theoretical perspectives Although many pro feminist sociologists and activists firmly believe that any attempt to explain domestic violence potentially condones it this book takes up the challenge to make a compelling case demonstrating how we need to widen understanding of the psychology of survivors and their intimate relationships if we are to defeat IPVA The new edition has been updated to include the latest developments in IPVA research and practice and in particular examines the impact of a violent and abusive family life on all members including children This is essential reading for students academics and professionals interested in domestic abuse as well as professionals and practitioners including psychologists social workers the police prison officers probation staff policy makers and charity workers *Children and Interparental Violence* B. B. Robbie Rossman, Honore M. Hughes, Mindy S. Rosenberg, 2013-06-17 The past decade has seen a burgeoning of research and conceptualization on the implications of parental violence exposure on children s development and well being Meanwhile seemingly daily accounts of violent tragedies committed by our youth brings to our attention the urgency of conveying this information With these ideas in mind *Children and Interparental Violence* focuses on childrens exposure to violence between their caretakers and the subsequent effects on child development To this end the authors review current theories research and treatment strategies of the 1990s paying specific attention to families ethnic backgrounds parents sexual orientation and forensic and legal issues all factors affecting the nature and severity of impact Prevention and intervention models including great detail on risk and protective factors techniques and programs are discussed as well as research evaluating their usefulness Keeping in mind the goal of integrating practice and policy with current violence and developmental research and theory numerous case examples take the reader from the lab and classroom into the session room and courtroom *Child Protection in Families Experiencing Domestic Violence* H. Lien Bragg, 2003 *Handbook of Violence* Lisa A. Rapp-Paglicci, Albert R. Roberts, John S.

Wodarski,2002-07-17 A multidisciplinary team of experts examines violence from a resilience perspective Violence knows no boundaries It attacks in schools in families and even in the workforce places that should be regarded as safe havens Encompassing the enormity of violence through a comprehensive biopsychosocial perspective Handbook of Violence examines community school family and workplace violence including identification classification prevention and interview programs and case management Written by the leading authorities in their fields this groundbreaking compilation Reviews how children and adolescents from violent homes are detrimentally affected in multiple ways including short and long term consequences that seriously impair their psychological social educational and physical development Explores issues related to the occurrence of domestic violence in African American families presenting an array of theoretical formulations that may prove useful to practitioners who must service both victims and perpetrators Examines the prevalence of female juvenile delinquency and reviews the literature from a sociological and practice perspective Focuses on the current trends and issues surrounding youth gang violence discussing identification classification and prediction as they relate to gang violence as well as effective prevention and intervention Addresses the identification classification and prediction of school violence among middle school and high school youth Covers the broad range of cases that are classified as workplace violence examining the differences in definition and analyzing the bases for the growing prevalence of incidents Topics include Violence within families through the life span Adolescent dating violence Assessing violent behavior Domestic violence in Latino cultures Conduct disorder and substance abuse Youth gang violence School violence Preventing workplace violence Domestic violence in the workplace And much more

Death by Domestic Violence Katherine van Wormer,Albert R. Roberts,2008-11-30

Each year about 33 percent of all women and 3 percent of all men murdered in the United States are killed by a so called intimate a spouse partner or lover Nationwide murder by an intimate is the number one cause of death for pregnant women And murder by an intimate is not just an American problem A European task force recently found domestic violence accounts for 25 percent of all homicides in London and 35 percent across England and Wales In this timely book van Wormer and Roberts describe the problem and what they have seen and heard on the front lines with both women and men who have escaped domestic violence that was escalating toward deadly levels The text examines not only the psychology of the batterer but of domestic murder and domestic murder suicide Drawn from the experience and insights of these two widely known social workers the text includes a safety plan for those at risk and a chapter providing narratives of women in prison for killing their abusive husband or partner Drawing on the experience and insights of these two widely known social workers Death by Domestic Violence separates domestic violence myths and facts explains the traumatic bonding that occurs between batterer and victim and details how one facet of the solution could be school based interventions and education The book culminates with recommendations for further reduction of harm and a safety plan for those at risk
