### **The Practice of Case**

**Management** Peter Camilleri,2020-07-16 Case management is used across a diverse range of organisational settings from child protection to aged care disability services acute and community health courts and correctional services employment services veteran services education and immigration programs However case management is not always successfully implemented and practitioners often feel they are not given sufficient support The Practice of Case Management draws on extensive practice research to identify the key characteristics of successful case management organisational support developing delivery models to suit individual client needs preparation of staff at all levels and affirmation of the central and active role of the client The authors outline the challenges and complexities faced by case managers acknowledging that their role is often poorly conceptualised and articulated They demonstrate that true engagement enables effective service provision and offer practical strategies for everyone involved in the case management process to facilitate negotiation accountability and the achievement of positive outcomes

*Solution-Focused Case Management* Robert G. Blundo, PhD, LCSW,Joel K Simon, MSW, ACSW, BCD,2015-11-06 Blundo and Simon have successfully outlined how a solution focused perspective can be a powerful tool for case managers Their understanding and presentation is based upon practice scenarios that are real and applied They clearly demonstrate the impact of thinking and language and the importance of building a collaborative relationship with clients Their work challenges the traditional theory driven interventions that focus on problems and arrive at a diagnosis They encourage a shift to a co constructive partnership that requires a practitioner to

respect that clients are experts of their own lives They provide a clear step wise discussion of techniques and strategies that can be employed working with individuals and families in case management settings This book is a must read Lawrence T Force PhD LCSW R Professor of Psychology Mount Saint Mary College Newburgh NY From the Foreword Solution focused practice is a paradigm that stresses client abilities strengths and individual goals rather than disability Written by a team of educator practitioners noted for their expertise in solution focused therapy this how to text for social work counseling and psychology students guides current and future case managers in learning this strengths based collaborative approach to case management It discusses both the philosophical basis for solution focused casework and demonstrates how it is ideally suited for the case management process The book is based on teaching materials the authors have developed and used in their classes and workshops with undergraduate and graduate students and professionals The text incorporates new research and theoretical developments in solution focused therapy as well as actual practice scenarios demonstrating the process of building a collaborative relationship with individual clients and families Replete with strategies and tools for practicing solution focused case management the text describes such essential skills as identifying goals monitoring progress working with other agencies and transitioning out of treatment It discusses issues related to ethical practice and presents strategies for self care Additionally the book addresses diversity and social justice and their relationships to solution focused practice Student exercises help to reinforce knowledge The text will assist case managers in a variety of settings hospitals nursing homes rehabilitation facilities community based mental health agencies schools prisons court systems and shelters for the homeless and victims of domestic violence to partner with their clients towards finding strengths based and solution focused approaches to resolving issues in a positive way Key Features Authored by noted experts in solution focused education and practice Facilitates a reframing of casework and case management around client strengths and resources Provides specific case examples that allow readers to troubleshoot and apply solution focused principles to practice Includes student exercises throughout the book

**Duty of Care in the Human Services** Rosemary Kennedy, 2009-11-12 The human services are established to support the most vulnerable and marginalised people in our society Yet media and other reports frequently highlight a disturbing picture of industry failures malpractice and abuse This book addresses the response of legal and quasi legal bodies to human service failures It outlines those areas of law which are most likely to be activated by human service shortcomings and those aspects of direct human service delivery which are most likely to attract legal attention Essential reading for those studying or working in human services and social work this book is designed to alert people to the legal risks arising as a result of inadequate human service delivery
