The Parliamentary Debates (Hansard). Great Britain. Parliament. House of Lords,2007 Scientific and Technical Aerospace Reports ,1994 *The proposal for a national policy statement on ports* Great Britain: Parliament: House of Commons: Transport Committee,2010-03-17 National Policy Statements NPS are a key component of the new planning system for nationally significant infrastructure projects introduced by the Planning Act 2008 The Act stipulates that a proposal for a National Policy Statement will be subject to public consultation and allows for parliamentary scrutiny before designation as national policy by the Secretary of State The draft Ports National Policy Statement Department for Transport 2009 has been welcomed by many organisations as a good start which can be built upon The Committee has recommended a number of modifications and expects the Department will improve the draft as a result of the consultation and scrutiny processes The Committee has reservations regarding the Government s 2007 policy for ports and the lack of guidance on location for port development in the NPS but this of itself does not make the NPS unfit for purpose But the Committee cannot recommend designation at this stage on two counts Firstly a key related policy statement the National Networks NPS has yet to be published Secondly the organisation likely to be one of the principal decision makers for port development the Marine Management Organisation has yet to be established and so has been unable to comment on guidance that will be of great importance to its role These are fundamental flaws in the consultation process and the Ports NPS should not be designated until they are rectified
