Families In Later Life Connections And Transitions:

Families in Later Life Alexis Walker, 2001-01-22 The introductory essays and readings drawn from both literature and social science research vividly illustrate the diversity of aging experiences both within and across American families diversity conditioned by social space historical time and individual biography Eleanor Palo Stoller Selah Chamberlain Professor of Sociology Case Western Reserve University Families in Later Life is the only textbook on the subject that addresses the diversity of aging experiences in society by race gender and social class and in a form which combines insight from the humanities as well as the social sciences Includes a balance between empirical selections and literary pieces keeping students interested and engaged while still introducing them to solid research Every social science article included has been carefully edited so those students learn and enjoy their reading to the maximum extent possible Framing Essays by the Editors Questions for Discussion and a complete Index make this book even more useful for teaching *Family Practices in Later Life* Pat Chambers, 2009-09-02 There is a lack of gerontological literature on the experience and complexity of living in older families lived experience family relationships doing family life meanings of family life connectedness etc This book contributes to redressing that **Encyclopedia of Human Relationships** Harry T. Reis, 2009-03-25 This encyclopedia provides a structure to understand the essential rudiments of human behaviour and interpersonal relationships

Handbook of Families and Aging Rosemary Blieszner, Victoria Hilkevitch Bedford, 2012-09-20 This comprehensive state of the art textbook and reference volume in family gerontology reviews and critiques the recent theoretical empirical and methodological literature identifies future research directions and makes recommendations for gerontology professionals This book is both an updated version of and a complement to the original Handbook of Families and Aging The many additions include the most recent demographic changes on aging families new theoretical formulations innovative research methods recent legal issues and death and bereavement as well as new material on the relationships themselves sibling partnered and intergenerational relationships for example Among the brand new topics in this edition are step family relationships aging families and immigration aging families and 21st century technology and peripheral family ties Unlike the more cursory summaries found in textbooks the essays within Handbook of Families and Aging Second Edition provide thoughtful in depth coverage of each topic No other book provides such a comprehensive and timely overview of theory and research on family relationships the contexts of family life and major turning points in late life families Nevertheless the contents are written to be engaging and accessible to a broad audience including advanced undergraduate students graduate students researchers and gerontology practitioners Serious lay readers will also find this book highly informative about contemporary family issues **Family Ties and Aging** Ingrid Arnet Connidis, 2010 This advanced textbook covers issues of family ties and aging broadly the goal being to provide an integrated and thorough representation of what we know from the current research Whereas books on families and aging have traditionally focused on ties to a spouse and to children and

grandchildren Family Ties Aging is more extensive and more reflective of contemporary society The text includes groups and relationships that typically receive short shrift exploring such neglected populations as single divorced and childless older people and their family relationships as well as sibling relationships among the elderly live in partnerships not formalized by marriage and the kinds of family ties forged by gay and lesbian persons over the life course The book weaves the vast range of information we now have about the many facets of family relationships and aging into a critical comprehensive and integrated whole

Cultural Diversity and Families Bahira Sherif Trask, Raeann R Hamon, 2007-01-18 Cultural Diversity and Families Expanding Perspectives breaks new ground by investigating how concepts of cultural diversity have shaped the study of families from theoretical and applied perspectives Authors Bahira Sherif Trask and Raeann R Hamon move the dialogue about culturally diverse families to a new level by topically discussing the issues affecting culturally diverse families rather than organizing the information by racial and or ethnic groups Key Features Investigates the impact of cultural diversity on the study of families In order to transcend simplistic categorizations that have juxtaposed White families in opposition to families of color and vice versa this book delineates the increasing cultural diversity of American families and examines the impact of these demographic changes for the social sciences Emphasizes the full range of cultural aspects The book consciously emphasizes cultural aspects not just ethnicity but also socioeconomic status gender religion etc over racial impacts on family life so as not to reinforce the myth that race is a biological truth By sharing unique family experiences across groups the book enhances understanding directs future family research and serves these families through responsive policy and practice Offers more coverage of culturally diverse families than any other text Divided into three parts this comprehensive text first sets the stage of historical current and projected demographic trends pertaining to American families explores issues facing culturally diverse families from a thematic perspective and discusses of the impact of cultural diversity for family theory research service delivery and public policy Intended Audience This is an excellent text for advanced undergraduate and graduate courses such as Families in a Multicultural Society Ethnic Minority Families and Cultural Diversity in American Families in the departments of Human Development Family Studies Sociology and Family Social Work

Grandparents of Children with Disabilities Liora Findler, Orit Taubman - Ben-Ari, 2016-09-27 This briefs offers a comprehensive view of the journey of grandparents of children with disabilities by employing a wide range of theoretical approaches such as intergenerational relationships positive psychology psychoanalytic views and models of stress It presents a multidimensional view of grandparents which begins with the general role of grandparents in the family and the transition to grandparenthood as a major life event The briefs moves on to discuss grandparents roles under unique circumstances such as illness or disability in the family and then deals with perspectives of parents of children with disabilities on the role of grandparents Finally it reviews attitudes of professionals toward grandparents and concludes with suggested intervention strategies for working with families on intergenerational relationships

Guiding Families

through Transitions Todd M. Edwards, JoEllen Patterson, James L. Griffith, 2025-03-25 An indispensable clinical resource and text this book offers therapists evidence based strategies to support families through life's inevitable transitions. Chapters explore typical life cycle stages: couple formation, parenthood, adolescence, young adulthood, and midlife and later life, and describe treatment principles for frequently encountered family challenges. The book normalizes developmental strains and underscores the significance of flexibility, adaptability, and resilience through adversity. Extensive case examples encompass a range of family forms, cultural and individual differences, and life cycle disruptions including parental separation, illness, and loss.

Work Across the Lifespan Boris Baltes, Cort W. Rudolph, Hannes Zacher, 2019-01-07 *Work Across the Lifespan* coalesces theoretical and empirical perspectives on aging and work. This volume examines a collection of human development theories that explain trajectories of change, including patterns of growth, maintenance, and decline across the adult lifespan. At its core, the lifespan perspective assumes a focus on aging as a continuous process of intraindividual change and goal-based self-regulation. In this text, the lifespan perspective serves as a lens for examining the complex relationship between aging and work. Integrating research from the fields of developmental psychology as well as industrial work and organizational psychology, this authoritative reference brings together the collective thinking of researchers who study work, careers, organizations, and aging. Summarizes key tenets of lifespan theories. Applies lifespan theories to work, organizational life, and careers. Examines age and work-related processes. Provides an comprehensive lifespan perspective on work and aging. Focuses on aging as a continuous intraindividual change process.

Introduction to Human Development and Family Science Bridget A. Walsh, Dana A. Weiser, 2024-10-03 Now in its second edition, *Introduction to Human Development and Family Science* was the first text to introduce human development and family studies (HDFS) as inextricably linked areas of study. Pioneers of research paradigms have acknowledged that the family is one setting in which human development occurs, and much work is inherently multidisciplinary and interdisciplinary. This book helps to fortify an understanding of HDFS and subareas within it. Key features include: Chapters aligned with Certified Family Life Educator (CFLE) Guidelines. An applied focus with vignettes exploring diverse family structures and human experience. A brand new appendix with helpful tips to encourage the effective utilization of research. Discussion of the wide variety of career paths for HDFS students. Rich pedagogical features including Challenge Integration sections bringing together content from all chapters. Journal Questions encouraging reflection on content as well as personal experience. Suggested Resources listing relevant websites, books, articles, and video links for further study. Incredibly user-friendly; this is essential reading for students new to Human Development and Family Science. A fully developed Instructor and Student Website includes flashcards, self-testing quizzes, and discussion questions for students, as well as activities, lecture slides, test banks, and video recommendations for instructors.
