Problem of Atheism Augusto Del Noce, 2022-01-05 In 1964 Augusto Del Noce assembled in a book some of his best works on
Marxism atheism and the history of modern philosophy The result was Il problema dell ateismo which he always regarded as
foundational to his way of thinking The book remains his best known work and is still in print in Italy almost sixty years later
The Problem of Atheism offers the first English translation of this landmark book one of the earliest works to recognize the
new secularizing trends in Western culture following World War II Del Noce situates atheism historically reconstructing its
philosophical trajectory through European modernity Documenting the author's entire intellectual experience these essays
explore the birth of modern philosophy reckon with the great European crisis of 1917 to 1945 and the Cold War that followed
and mine the opposition between Marxism and the rise of the affluent society The result is rich with premonitions of the
cultural landscape that would take shape throughout the 1960s and the decades that followed Proving its English translation

to be long overdue The Problem of Atheism remains relevant to contemporary debates about secularization political theology and modernity
