**Doing Public Ethnography** Phillip Vannini, 2018-07-18 Ethnography and qualitative research methodology in general have witnessed a

staggering proliferation of styles and genres over the last three decades Modes and channels of communication have similarly expanded and diversified Now ethnographers have the opportunity to disseminate their work not only through traditional writing but also through aural visual performative hypertext and many diverse and creative multimodal documentation strategies Yet many ethnographers still feel insufficiently proficient with these new literacies and opportunities for knowledge mobilization and they therefore still limit themselves to traditional modes of communication in spite of their desire for innovation As university based community driven and politically mandated agendas for broader knowledge transfer keep increasing worldwide the demand for public scholarship continues to grow Arguing for the need to disseminate innovative ethnographic knowledge more widely and more effectively this book outlines practical strategies and tools for sharing ethnographic and qualitative research through widely accessible media such as magazines trade books blogs newspapers video radio and social media Drawing from practical experiences and hands on lessons *Doing Public Ethnography* provides social scientists across all disciplines with concrete tactics for mobilizing knowledge beyond the academic realm *The SAGE Handbook of Organizational Communication* Linda L. Putnam, Dennis K. Mumby, 2013-11-04

Organizational communication as a field of study has grown tremendously over the past thirty years This growth is characterized by the development and application of communication perspectives to research on complex organizations in rapidly changing environments Completely re conceptualized *The SAGE Handbook of Organizational Communication Third Edition* is a landmark volume that weaves together the various threads of this interdisciplinary area of scholarship This edition captures both the changing nature of the field with its explosion of theoretical perspectives and research agendas and the transformations that have occurred in organizational life with the emergence of new forms of work globalization processes and changing organizational forms Exploring organizations as complex and dynamic the Handbook brings a communication lens to bear on multiple organizing processes **Handbook of Arts-Based Research** Patricia Leavy, 2019-02-27

The handbook is heavy on methods chapters in different genres There are chapters on actual methods that include methodological instruction and examples There is also ample attention given to practical issues including evaluation writing ethics and publishing With respect to writing style contributors have made their chapters reader friendly by limiting their use of jargon providing methodological instruction when appropriate and offering robust research examples from their own work and or others *Writing Blackgirls' and Women's Health Science* Jameta Nicole Barlow, 2023-12-21

This field of Black girls and women s health BGWH science is both transdisciplinary and interdisciplinary As such the contributors to this edited collection offer a unique lens to BGWH science expanding our collective scientific worldviews The contributing authors draw upon their ontological and epistemological knowledge to formulate pathways and inform methodologies for doing research and praxis to address BGWH Each contributor draws upon these knowledges and offers the reader a way to better understand how their framing and writing can create change in the health of Black girls and women *The Palgrave*
