Emotions in the Human Voice,Volume 2 Krzysztof Izdebski,2008-04-01

How to Sing & See Jean Callaghan,Pat Wilson,2004-01-01 Specially designed for people using Sing See How to Sing and See Singing Pedagogy in the Digital Era is a comprehensive guide to using visual feedback software in ways that will foster both vocal and musical development It includes explanation of the Sing See on screen visual displays a discussion of vocal questions that need to be considered in the individual application of the software and over 200 vocal training exercises The exercises cover intervals triads and a comprehensive range of scales and modes used in a range of vocal styles A page is devoted to each exercise with the same layout giving musical notation of the exercise a brief explanation of its purpose a reproduction of the target display and instructions on how to achieve it The manual begins with the most basic singing task and builds from there so you can choose exercises to build a graded vocal and musical developmental program or to answer specific needs of individual students or to construct a personalized practice regimen Although written with singing teachers in mind the book is also proving to be very useful for singers those who already have some basic singing skills as a self directed practice regime The large variety of vocal techniques covered by the book give the advanced student of singing a valuable guide to systematically improving his or her vocal skill by making best use of the Sing See software This version of the book is a paperback bound replica of the original spiral bound Teacher s Manual available from Lulu com It is slightly smaller in size and is easier to hold although without the lie flat ability of the original spiral binding And it s cheaper

Teaching Singing in the 21st Century Scott D. Harrison,Jessica O'Bryan,2014-05-14 This volume brings together a group of leading international researchers and practitioners in voice pedagogy alongside emerging academics and practitioners Encompassing research across voice science and pedagogy this innovative collection transcends genre boundaries and provides new knowledge about vocal styles and approaches from classical and musical theatre to contemporary commercial music The work is sure to be valuable in tertiary institutions schools and community music associations suitable for use by private studio teachers and will appeal to choral leaders and music educators interested in vocal pedagogy I thoroughly enjoyed reading this book and I am confident it will help bring all aspects of vocal pedagogy firmly into the 21st century Refreshingly many different areas of pedagogy are included in the text so we can all work together to more fully understand the singing voice Up to the moment research is included along with an exploration of the evolving contemporary styles of singing Further areas regarding teaching and curriculum in higher education are also reviewed All in all this text a crucial addition to a professional s vocal library Jeanne Goffi Fynn Teachers College Columbia University USA
