Gender Fraud Peg Tittle,2020-06-14 In a near future gender recognition legislation is repealed and it becomes illegal for males to identify as females and females to

identify as males However due in part to the continued conflation of sex and gender and in part to the insistence that gender align with sex it also becomes illegal for males to be feminine and females to be masculine A gender identity dystopia I found Gender Fraud a fiction gripping to read especially the discussions between the characters Kat is a likable relatable and extremely intelligent character Katya Goodreads

The SAGE Encyclopedia of Action Research David Coghlan, Mary Brydon-Miller, 2014-08-11 Action research is a term used to describe a family of related approaches that integrate theory and action with a goal of addressing important organizational community and social issues together with those who experience them It focuses on the creation of areas for collaborative learning and the design enactment and evaluation of liberating actions through combining action and research reflection and action in an ongoing cycle of cogenerative knowledge While the roots of these methodologies go back to the 1940s there has been a dramatic increase in research output and adoption in university curricula over the past decade This is now an area of high popularity among academics and researchers from various fields especially business and organization studies education health care nursing development studies and social and community work The SAGE Encyclopedia of Action Research brings together the many strands of action research and addresses the interplay between these disciplines by presenting a state of the art overview and comprehensive breakdown of the key tenets and methods of action research as well as detailing the work of key theorists and contributors to action research
