Power and Meaning Making in an EAP

Classroom Christian W. Chun, 2015 This book examines how critical literacy pedagogy has been implemented in a classroom through a year long collaboration between the author a researcher and an EAP teacher It details the teacher s introduction to functional grammar and accompanying critical literacy approaches to EAP and her growing critical language and discourse awareness of power and meaning making in the classroom The book traces her evolving classroom practices and addresses how powerful discourses in social circulation found their way into the classroom via the curriculum materials the students encountered The main themes of the book are threefold narrowing the divide between critically oriented researchers and practitioners how critical literacy is actually implemented in a teacher s classroom and how people students and the teacher engage in and with the representations and discourses of the everyday world that include neoliberal globalization racial and cultural identities and consumerism It will be of interest to both researchers and practitioners for the ethnographic and pedagogical issues it raises as well as its accessible theoretical frameworks illustrated by relevant classroom interactional data mediated multimodal and critical discourse analysis

Redoing Linguistic Worlds Kris Aric Knisely, Eric Louis Russell, 2024-01-16 Language and gender are interconnected social and relational acts through which we constantly remake our worlds But what happens when our ways of doing gender cannot be neatly categorized into traditional binary systems including not only the social groupings of roles practices and identities but also the forms and structures through which we do language This book brings together a broad range of scholars to explore the undoing and redoing of gender binaries in non Anglophone communities and contexts in and through their linguistic and social reimaginings Each of the contributions to this book reflects on this ongoing change and its place in our everyday lives including the ways that its outcomes are both contested and fluid This volume represents an important step in scholarship in language and gender one that stands to inform a public increasingly aware of these remakings and one that calls on all of us to stand in the tensions of our own humanity and look through it for how our languaging might do imaginary worlds that are more equitable more connected and more just for us all

The Routledge Handbook of Language and Superdiversity Angela Creese, Adrian Blackledge, 2018-02-21 The Routledge Handbook of Language and Superdiversity provides an accessible and authoritative overview of this growing area the linguistic analysis of interaction in superdiverse cities Developed as a descriptive term to account for the increasingly stratified processes and effects of migration in Western Europe superdiversity has the potential to contribute to an enhanced understanding of mobility complexity and change with theoretical practical global and methodological reach With seven sections edited by leading names the handbook includes 35 state of the art chapters from international authorities The handbook adopts a truly interdisciplinary approach covering Cultural heritage Sport Law Education Business and entrepreneurship The result is a truly comprehensive account of how people live work and communicate in superdiverse spaces This volume is key reading for all those engaged in the study and research of Language and Superdiversity within Applied Linguistics Linguistic Anthropology and related areas

Mainstreaming Integration

Governance P.W.A. Scholten, I. van Breugel, 2017-08-07 This book provides a critical analysis of mainstreaming as one of the major contemporary trends in immigrant integration governance in Europe Bringing together unique empirical material and theoretical insights on mainstreaming it examines how why and to what effect immigrant integration is mainstreamed In the context of the rise and fall of multiculturalism across various European countries this book explores how these countries are rethinking the governance of their increasingly diverse societies It highlights the trends of a broad approach to immigrant integration priorities mainstreamed into generic policy domains which are now visible throughout Europe With contributions not only on migration studies but also policy studies and gender mainstreaming this edited volume will appeal to scholars across these fields as well as policymakers and practitioners

Race and Ethnicity in English Language Teaching

Christopher Joseph Jenks, 2017-08-14 This book examines racism and racialized discourses in the ELT profession in South Korea The book is informed by a number of different critical approaches to race and discourse and the discussions contained in the chapters offer one way of exploring how the ELT profession can be understood from such perspectives Observations made are based on the understanding that racism should not be viewed as individual acts of discrimination but rather as a system of social structures While the book is principally concerned with language teaching and learning in South Korea the findings are situated in a wider discussion of race and ethnicity in the global ELT profession The book makes the following argument White normativity is an ideological commitment and a form of racialized discourse that comes from the social actions of those involved in the ELT profession this normative model or ideal standard constructs a system of racial discrimination that is founded on White privilege saviorism and neoliberalism Drawing on a wide range of data sources this book is a must read for anyone interested in critically examining ELT

Local Language, Literacy and

Multilingualism in a West African Society Kasper Juffermans, 2015-09-14 This book aims to enhance and challenge our understanding of language and literacy as social practice against the background of heightened globalisation Juffermans presents an ethnographic study of the linguistic landscape of The Gambia arguing that language should be conceptualised as a verb languaging rather than a countable noun a language languages He goes on to argue that sociolinguistics should not be defined as the study of who speaks what language to whom and when and to what end as Fishman defined it but as the study of who uses which linguistic features under particular circumstances in a particular place and time The book is therefore in part an exercise to unpluralise language which Juffermans argues is necessary for a more realistic understanding of what language is what it does and what people do with it The book will be of interest to sociolinguistics researchers especially those focusing on Africa and the global South

Translating in the Local Community Peter Flynn, 2023-04-25
