

The background of the cover is a photograph of the Burj Al Arab hotel in Dubai, United Arab Emirates. The hotel's distinctive sail-shaped architecture is prominent, with its white, curved facade and blue-tinted glass windows. It stands tall against a clear blue sky. In the foreground, there is a body of water, likely the Dubai Mall Canal, with a small wooden boat carrying a few people. The shoreline is lined with lush green palm trees and other tropical vegetation. To the left of the hotel, there are some lower-rise buildings with a traditional architectural style. The overall scene is bright and sunny, suggesting a clear day.

Essentials Of World Regional Geography 3rd Edition:

Essentials of World Regional Geography George White, Michael Bradshaw, Emeritus, Elizabeth Chacko, Joseph Dymond, Justin Scheidt, 2013-10-04 Essentials of World Regional Geography 3e gives readers an approach that combines fundamental geographical elements internal regional diversity and contemporary issues This approach allows serious discussion of cultural and environmental issues as well as political and economic issues White Essentials of World Regional Geography 3e encourages students to consider what it means to be part of a global community and to develop their geographical understandings of world events Essentials of World Regional Geography has chapter openings with a physical features map of the region which includes short accounts of people or events to provide a personal flavor of the region an outline of the chapter contents and a short section placing the region in its wider global context Each regional chapter is consistently organized by three sections The first section summarizes the distinctive physical and human geographies of the region the second section explores the internal diversity of the region at subregional selected country and local levels The third section focuses on a selection of contemporary issues that are important to the people of each region and frequently have implications for the rest of the world Each regional chapter follows the same framework allowing students to easily make comparisons from one world region to the next This new edition now offers a suite of digital resources including ConnectPlus LearnSmart and SmartBook **Essentials of World Regional Geography** George W. White, 2011

Essentials of World Regional Geography George White, 2010 This shorter version of the highly successful Contemporary World Regional Geography 3e gives readers a fresh new approach that combines fundamental geographical elements internal regional diversity and contemporary issues This approach allows serious discussion of cultural and environmental issues as well as political and economic issues The main innovation in this completely rewritten text is in the ordering of the material covered While other texts cut photos illustrations and boxed material from their WRG books this essentials version is a completely rewritten text by the author Essentials of World Regional Geography Michael John Bradshaw, 2008 **Globalizing the Lower Rio Grande** Kyle B. Carpenter, 2024-10-15 Often obscured in the history of the nineteenth century US Mexico borderlands European born entrepreneurs played a definitive role in pushing the Rio Grande borderlands into Atlantic markets These borderlands entrepreneurs tried to transform the Lower Rio Grande and its surroundings from a regional crossroads of trade to a hub of the Atlantic economy Though they were often stymied by mismanagement notions of ethnic and cultural superiority and eruptions of violence these entrepreneurs persistently attempted to remake the region into a modern commercial utopia Their actions challenged United States imperial expansion into the Rio Grande borderlands as they tried to modernize the region according to European cultural precepts through constructing colonies populated with Europeans building strong networks of local and global significance and striving to dominate trade in the region Globalizing the Lower Rio Grande reframes the narrative of the borderlands through the

perspectives of Europeans who actively shaped the historical trajectory of the region It highlights the actions of folks like English born John C Beales who convinced a party of Europeans to trek overseas and overland to the isolated Las Moras Creek to build a colony from scratch Alexander Bourgeois d Orvanne former mayor of Clichy la Garenne in France who manipulated powerful French and German leaders to support a settlement scheme on the Rio Grande Spanish born Jos San Rom n and the way he constructed massive transatlantic networks of credit and exchange and Joseph Kleiber from Strasbourg who facilitated the construction of a European owned railroad line along the Rio Grande Though ultimately undermined and outmaneuvered by their American rivals European born borderlands entrepreneurs like these collectively globalized the Lower Rio Grande
