Hover-Kramer,2011 Healing work isn't just about what happens in the therapy room but also about how practitioners communicate with integrity and act in their professional and personal relationships While gifted healers are being trained in hundreds of modalities worldwide few genuinely professional organizations exist and in most cases standards of relational ethics have yet to be codified In the best of cases well meaning practitioners are thereby limited in their work to provide optimal service and in the worst cases they are left vulnerable to potential legal repercussions and relational liabilities Creating Healing Relationships is the first book to seriously address the need for professional standards in the rapidly growing field of energy healing and to demonstrate how the ethic of human caring can be translated into professional standards for safe and successful energy therapy practice **Clinical EFT Handbook Volume 2** Dawson Church,Stephanie Marohn,2013-06-30 EFT Emotional Freedom Techniques is used by an estimated 10 million people worldwide Yet a lack of

standardization has led to a field in which dozens of forms of EFT with varying degrees of fidelity to the original can be found. This led to the establishment of Clinical EFT, the form of EFT taught in the original EFT Manual and associated materials and validated in over 20 clinical trials. In this volume, the most noted scholars, researchers, and clinicians in the field compile a definitive outline of the EFT protocol as it is applied in medicine, psychiatry, psychotherapy, and life coaching. **Overcoming Adversity** Caroline Sakai, Ph.D., 2014-11-01. In the gut-wrenching stories of patients told by psychologist Dr. Caroline Sakai in this riveting book, you will see the full range of human misery. Stories range from that of Josh, suicidal after fighting depression for years, to Angelique, whose entire village was slaughtered during the Rwandan genocide. Yet both Josh and Angelique, as well as two dozen others whose cases are told in fascinating detail, recovered completely. The remarkable cure that worked so well for them is called Thought Field Therapy or TFT. It is often called tapping since it involves tapping with the fingertips on acupuncture points. A recent group of studies has shown that TFT is phenomenally effective at treating the symptoms of post-traumatic stress disorder as well as anxiety, depression, and other mental health conditions. Dr. Sakai has conducted much research into TFT, including several randomized controlled trials. She provides an expert introduction to tapping for beginners as well as concluding with a section that shows professionals how to get the best results from TFT. It shows how TFT can

promote post traumatic growth the personal transformation that can result from traumatic experiences It also shows how TFT can be used to promote resilience the qualities that enable us to recover from life s inevitable challenges [Eft Level 2 Comprehensive Training Resource](#) Ann Adams,Davidson Karin,2011-10 The EFT Level 2 Comprehensive Training Resource is a companion to the EFT Level 2 classes based on the Harmonized Curriculum for EFT training EFT Emotional Freedom Techniques is an evidence based self help intervention used by millions of people worldwide Clinical trials have shown it to be effective for a wide variety of conditions including pain fibromyalgia depression anxiety phobias and PTSD The authoritative EFT training program by EFT Universe leads to certification in Clinical EFT and uses this Resource by EFT Master Ann Adams and Karin Davidson as one of the required readings **EFT for Christians** Sherrie Rice Smith, RN,2015-05-15 While Emotional Freedom Techniques EFT has been gaining in widespread use and popularity during the past decade most Christians are unfamiliar with this gentle and astonishingly effective self help tool Those who have discovered its healing potential may be unsure how it fits in with their faith Sherrie Rice Smith RN Retired has an extensive faith based EFT practice and has pioneered the use of this breakthrough approach also called tapping with Christians In this book she shows how to use Scripture while tapping and how EFT can strengthen the prayer life of the believer Packed with compelling case histories of both physical and emotional healing drawn from her Christian EFT practice as well as her extensive nursing background Sherrie explains the science behind Clinical EFT and how it works in harmony with our divinely created physiology She shows how a combination of good science and firm faith is able to provide dramatic relief from a wide variety of suffering whether it is spiritual emotional or physical and how to integrate this self help method with the Christian life [The Energies of Love](#) Donna Eden,David Feinstein,2014-09-04 The bestselling authors of Energy Medicine and Energy Medicine for Women present a complete program for using energy medicine to heal and strengthen romantic relationships A relationship begins with the meeting of two unique energies This union of energies though invisible determines the way you communicate fight love and want to be loved In this groundbreaking book the bestselling authors of Energy Medicine draw on the real life experiences of couples who have attended their popular Energies of Love workshops as well as their own experience as husband and wife to show how an understanding of your energy system and that of your partner can help you build a more harmonious and loving bond We all have different ways of making sense of the world around us but when faced with conflict especially with those we care most about we tend to revert to one of four Energetic Stress Styles Visuals are extremely passionate and inspire others to care about the things they care about but in moments of conflict their take on the situation can overshadow what is actually occurring undermining their ability to empathize with their partner Kinesthetics are generous compassionate and accepting of other people but their caring nature pulls them in too many directions They try to meet others needs at the expense of their own which can cause mounting resentment Digitals are rational and principled and have a gift for quickly understanding complex situations but they can become closed to others

perspectives and feelings Tonals have a gift for understanding others and their dilemmas but during moments of conflict their ability to read between the lines can morph into hearing what was never said felt or thought According to the authors the strongest relationships are those in which the two parties feel that they are partners on a shared spiritual journey By helping you better understand your own unique energy system as well as that of your partner you will be able to recognize your strengths as a couple and avoid the pitfalls The Energies of Love serves as a powerful resource for anyone who wishes to build a rich partnership while maintaining the spark that keeps a relationship exciting **Energy Psychology Journal,**
