Deacon Ministry Planning Guide:

Deacon Ministry Planning Guide Robert L. Sheffield, 1995 *Deacon Training* Kate Ward-Turner, 2008-05
Indifference toward deacon development places the church in a precarious state. By and large, congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office. When pastor and congregation disregard the need to have trained deacons, the office is allowed to recede into one of mere honor rather than service established in Christ. On the other hand, trained deacons or those in training discover exciting opportunities with which the office of deacons is filled. They come to perceive the office as one of service rather than honor. The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor. Unquestionable, God is looking for a special breed of deacons: a New Testament breed who are Spirit-filled and qualified. To say that deacons are qualified is to say also that they are trained for the work of deacons.

The Deacon Ministry Handbook Alan Witham, 2023-01-31
If you ask any pastor what keeps their church moving forward, they will likely point to the serving work of the deacon. These special men are the foundation of healthy churches because of their unique servant leadership role, no matter the church size. Typically, they visit the homebound and the sick, as they care and pray for those in need. Seeing the actions of these servants assists aspiring deacons in understanding what a deacon does, but it does not equate to understanding what a deacon is. Through this book, Alan Witham, Steve Rice, and their teammates bring clarity to the role of deacon by providing a practical guide that serves as *The Deacon Ministry Handbook*. The authors bring decades of local church experience, having served as deacons, pastors, and consultants.

Descriptive Duties of Deacons Russell R. Cook, 2017-09-25
Almost every church in America has selected and ordained Deacons for service to their congregations. Most of these Deacons have learned their duties by on-the-job experiences. However, many Deacons, even years after their ordination, still ask the question, "What am I supposed to do?" This book, *Descriptive Duties of Deacons*, answers that question in clearly definitive ways. You need not feel overwhelmed, unsuited for certain areas of service, or burdened by watching other Deacons in your church and thinking you have to do everything they do. This guidebook shows numerous options for ministry that can fit with your spiritual gifts, talents, training, and personality. These ministry options will help you find your niche in God's work. God does not intend for you to do everything nor to do your duties by yourself. He has placed you in a local church where a Pastor, ministry staff, and numerous volunteers can serve with you. The various duties described here will help you to better understand what both you and your fellow Deacons need to be doing individually and together. Follow this guidebook, and you may never again ask the question, "What am I supposed to do as a Deacon?"

A Guide for Pastors, Leaders and Congregations: How to Grow a Congregation Spiritually and in Number through Preaching. By Dr. Clinton Craig Hoggard. A Guide for Pastors, Leaders and Congregations: How to Grow a Congregation Spiritually and in Number through Preaching is just that, a study in how to grow congregations through preaching, addressing such challenges as: How to make prospective members of the church feel more welcomed/accepted; How to welcome back lapsed members of the congregation who may feel detached from the congregation or church leadership; How to speak to the congregation using their voice with specific understanding to their needs and circumstance; By interviewing churchgoers, those who used to attend church and church leadership at Vine Memorial Baptist Church, all of whom provided up-close and personal information that speaks directly to the problems facing many congregations today. Hoggard was able to provide meaningful solutions to these issues and more.

Discovering and Developing Your Deacons Russell R. Cook, 2015-09-02. Whether you are in a new church or a more established one, if you have a congregation, you have a growing need for more servants. You need others to help you. Yet you may not know where to start or how to proceed with identifying, enlisting, equipping, and engaging servant leaders for your church. In *Discovering and Developing Your Deacons*, you will find the help you need. If you are wondering whether or not you even need the ministry of Deacons, or if you'd like to know more about the process of discovering the right way to find them, this book is for you. You may have questions about the characteristics of men who can serve and how you can identify those qualities. This book answers clearly and concisely ten of the most often asked questions related to starting or restarting an effective Deacon ministry. It is not God's intention that a Pastor and one or two other leaders perform all needed ministry. This is akin to what God intended for the Apostles in Acts 6 when they had become overwhelmed with the ministry needs of a multiplying church. This book details how to find the kind of men described in Acts 6: not only find them but identify them by their reputation, character qualities, and servant hearts. This is a process that can be undertaken by any church that sees the need and has a desire to follow clear, scripturally based guidelines. *The Living Church*, 1945. **Guide for Forming a**
