The Battle for Boston Don Gillis, 2025-05-06 How Mayor Ray Flynn's leadership and a coalition of activists transformed Boston challenging established powers and setting new precedents for urban governance The Battle for Boston captures the remarkable era under Mayor Ray Flynn whose election in 1983 marked the beginning of a profound shift in the city's political and social landscape Don Gillis a Flynn senior advisor chronicles the inspiring journey of a city that dared to challenge the entrenched power brokers including developers landlords and banking industry leaders through powerful grassroots campaigns Gillis provides a vivid portrayal of the political dynamics and the coalition of community organizers neighborhood leaders and residents that played a pivotal role in rejecting the business backed growth machine and the city's historically divisive racial politics This book charts the strategic battles fought within the corridors of power and on the streets and highlights the substantial impact these movements had on the city's governance and power dynamics In a historic turn in 2021 Michelle Wu became the first woman person of color and Asian American elected Mayor of Boston Wu's victory on a similarly progressive platform as Flynn underscores the enduring relevance of his legacy signaling a hopeful future for more inclusive and effectively governed cities The Battle for Boston poses a critical inquiry Can cities truly embrace progressivism and govern effectively in the twenty first century This qualitative narrative study is a testament to the possibility of such governance driven by the indomitable spirit of those who strive for a fair and equitable society

*Transforming Distressed Global Communities* Fritz Wagner, Riad Mahayni, Andreas Piller, 2016-03-09 Many of our global cities are distressed and facing a host of issues economic collapse in the face of rising expectations social disintegration and civil unrest and ecological degradation and the threats associated with climate change including more frequent and more severe natural disasters Our long held assumptions about man and nature and how they interact are defunct We realize now that we can no longer continue to build without addressing the long term impacts of our actions and their spillovers Energy and natural resources are finite The way we configure economies has come into question In the developed world especially in the United States infrastructure and the notions that underpin it are outdated Meanwhile the developing world is experiencing major rapid transformations in lifestyles and economies that are affecting billions of people and requiring a whole new way of planning human settlements Cities are the key to our future they represent the most effective vehicle for positive advancements in the human condition and environmental change This volume argues for the need to redesign and re-plan our cities in holistic ways that reflect our new understanding and relate to their diversity and multi dimensionality Presenting a range of case studies from around the world this volume examines how these distressed

cities are dealing with these issues in planning for their future Alongside these empirical chapters are philosophical essays that consider the future of distressed cities Bringing together a team of leading scholars United Nations agencies non governmental organizations private consulting firms international organizations and foundations and policy officials this volume provides a unique and comprehensive overview on how to transform distressed communities into more livable places

**Vegas Brews** Michael Ian Borer,2019-10-22 An inside look at how craft beer makers and IPA devotees come together to brew taste and enjoy fine ale while also building a sense of community in Las Vegas Equally reviled and revered as Sin City Las Vegas is both exceptional and emblematic of contemporary American cultural practices and tastes Michael Ian Borer takes us inside the burgeoning Las Vegas craft beer scene to witness how its adherents use beer to create and foster not just a local culture but a locals culture Through compelling detailed first hand accounts and interviews Vegas Brews provides an unprecedented look into the ways that brewers distributors bartenders and drinkers fight against the perceived and preconceived norm about what happens in Vegas and lay claim to a part of their city that is too often overshadowed by the bright lights of tourist sites Borer shows how our interactions with the things we care about and the ways that we care about how they re made treated and consumed can lead to new senses of belonging and connections with and to others and the places where we live In a world where people and things move around at an extraordinary pace the folks Borer spent time talking and drinking with remind us to slow down and learn how to taste the good life or at least a semblance of it even in a city where style is often valued over substance

*American Democracy and Disconsent* Daniel Monti,2024-04-09 This volume is a thorough re examination of civil unrest and discontent in the United States particularly the intersection of democracy and violence The work argues that unrest and violence are embedded rituals of social and political discontent and are constitutive features of citizen based democracy As such they are part of how democratic life works unrest is the eruptive visible grammar of citizens in a democratic society Democracy and citizen unrest and violence in the United States are set within a deeper history The author traces the roots of American democracy and the rituals of discontent to their sources in ancient Mediterranean political society demonstrating that early democratic theory and practice understood unrest and revolt as morally grounded Featuring case studies of recent episodes of political and social discontent in the United States the volume contextualizes the Black Lives Matter protests unrest around police and institutional violence and the Capitol insurrection on January 6 Through this the book provides an important social theoretical lens through which to understand American discontent around racial injustice political suppression and citizen disillusionment
