Mannoia, Larry Walkemeyer, 2007-09-04 The church finds itself in a period of great diversification and multiple expressions In the midst of great change we have become confused about what really makes for healthy and authentic pastoral leadership What are the basic and common characteristics necessary for pastors to be effective How can lay people understand the pastoral call more fully and partner better with pastors for the health of their church Here Mannoia and Walkemeyer examine the foundations of pastoral effectiveness and bring together nine experienced pastoral leaders to discuss the basic characteristics that exist in effective pastors Regardless of context or personality ineffectiveness in pastors and subsequent ill health in churches is often not the result of a lack of calling but instead is the result of misappropriated efforts to find success Let's help those who are called to be good stewards of their call And let's help churches have a chance to be healthy under the leadership of effective pastors [Influence](#) Philip E Morrison, Hankuri Tawus Gaya, 2020-09-25 Leadership is not position It's influence Do you have ideas for change but feel powerless to make them happen Do you try to respect your leaders authority but yearn for them to see your vision Discover how to spark change just as young men and women in the Bible did People in your community church or nation will begin to follow you Soon you will be leading transformation Regardless of your title age or qualifications learn to be a leader now Influence comes at the perfect time to provide clear answers in the quest for change A book to read and teach to the new generation Dr Daniel Kouakou Faculty Member of The John Maxwell Team Côte d'Ivoire When I started reading I couldn't stop Influence is as compelling as it is practical Boldly refreshing desperately needed this is a core resource for leaders and
