*Communities of Resistance* A. Sivanandan, 2019-11-12 There is no socialism after liberation socialism is the process through which liberation is won Each of the essays in *Communities of Resistance* acts as a critical reaffirmation of socialist politics as the context for questions of race and resistance The left itself is under scrutiny here from a black perspective A series of powerful interventions covers many of the issues which have confronted radical politics in the 1980s inner city uprisings the demand for black sections in the Labour Party local government anti racism the move to a common European market This collection included incisive critiques of contemporary Marxism All that Melts into Air is Solid The Hokum of New Times of post colonial development and of the Eurocentric assessment of imperialism **Incarcerating the Crisis** Jordan T. Camp, 2016-04-18 The United States currently has the largest prison population on the planet Over the last four decades structural unemployment concentrated urban poverty and mass homelessness have also become permanent features of the political economy These developments are without historical precedent but not without historical explanation In this searing critique Jordan T Camp traces the rise of the neoliberal carceral state through a series of turning points in U S history including the Watts insurrection in 1965 the Detroit rebellion in 1967 the Attica uprising in 1971 the Los Angeles revolt in 1992 and events in post Katrina New Orleans in 2005 *Incarcerating the Crisis* argues that these dramatic events coincided with the emergence of neoliberal capitalism and the state's attempts to crush radical social movements Through an examination of the poetic visions of social movements including those by James Baldwin Marvin Gaye June Jordan Jos Ram rez and Sunni Patterson it also suggests that alternative outcomes have been and continue to be possible **Reclaiming Identity** Paula M. L. Moya, Michael R. Hames-García, 2000-12-14 This collection of ten essays argues that identity is not just socially constructed but has real epistemic and political consequences They examine the way theory politics and activism clash with or complement each other providing an alternative to the widely influential understandings of identity

*Confronting Injustice without Compromising Truth Study Guide* Thaddeus J. Williams, 2022-06-28 Enacting social justice is essential to the Christian faith But the Bible's call to seek justice is not a call to superficial activism True justice requires biblical wisdom and communal discernment Maybe you're frustrated with a version of Christianity that doesn't seem to take justice seriously Perhaps you've witnessed the rise of ideologies that brand themselves as social justice but you have a sense that something is off about them Maybe you have a hunch that God offers a better way to do justice than what's offered by the snarky memes on our news feeds In this 14 session video based study guide teacher and lecturer Thaddeus Williams furthers the case he made in his book taking study groups and individuals deeper into complex question of how to pursue a path of justice without compromising the truth of the gospel Participants will watch video segments DVD streaming video sold separately hear from a diverse range of experts interact in group discussions and answer personal reflection questions to discover what the Bible and the example of Jesus have to teach us about justice Williams confronts religious and political

tribalism and challenges participants to discover a compelling vision of justice for all God's image bearers that offers hopeful answers to life's biggest questions and a way forward Sessions Include What is Social Justice The God Question The Imago Question The Idolatry Question The Collective Question The Splintering Question The Fruit Question The Disparity Question The Color Question The Gospel Question The Tunnel Vision Question The Suffering Question The Standpoint Question Conclusion

Teaching Yourself Social Theory David

Harris,2002-12-13 Social theory is a very difficult subject to teach and it is one that students generally find hard to get to grips with Teaching Yourself Social Theory offers a highly original and comprehensive resource that will be welcomed by students and teachers alike Barry Smart University of Portsmouth I have no hesitation in recommending Harris text to students and teachers of social theory Sociology This refreshing and accessible text demonstrates how social theory can be made into an intelligible discourse that touches upon key aspects of everyday life The abstraction and formalism of much contemporary social theory is criticized as unnecessarily scholastic for the beginner The author maintains that the main problems in studying the subject are not intrinsic to social theory but derive from how the subject is taught as a university discipline This lively book uses non specialist terms to introduce more complex themes and incorporates a Website with questions and reading guides to some of the classic works      **Uniting Nations** Daniel Gorman,2022-07-28 A study of the personal histories and interconnected lives and careers of the Britons who worked at the United Nations after 1945      *The Political Economy of Communication* Vincent Mosco,2009-05-07 The Political Economy of Communication provides a thorough coverage of an important area of communication studies the political economy approach to media This highly successful text has been thoroughly updated restructured and rewritten in this new edition clearly demonstrating how power operates across all media from newspapers to Facebook and how media power intersects with globalization social class race gender and surveillance      *South Asian Writers in English* Fakrul Alam,2006 Essays on South Asian writers in English from all parts of the subcontinent who share a common fascination with the English language South Asian writing in English is thriving and worth reading and studying either as a whole or separately as Indian Pakistani Sri Lankan or Bangladeshi literature Discusses the fate of the English language after the British left South Asia and the exile s return to a country that has changed and the search for roots      **Education, Equality and Human Rights** Mike Cole,2011-11-18 Addressing issues that include the challenge of disability discrimination in schooling gender and equality race and racism sexuality and social justice and class analysis and knowledge formation Education Equality and Human Rights is an urgent and important contribution to the social justice literature as it intersects with current educational debates and struggles Professor Peter McLaren University of Auckland New Zealand Education Equality and Human Rights traces the history of diverse equality issues up to the present and enables readers to assess their continuing relevance in the future Written by experts in their particular field each of the five equality issues of gender race sexual orientation disability and social class are covered as areas in their own right as well as in relation to education This third edition has been fully revised to reflect major changes in law and policy and offers contemporary perspectives on world wide equality issues Key issues explored include human rights and equality gender gender and education racism racism and Education sexuality and identity sexuality and homophobia in schools the struggle for disability equality inclusive education social class social Class and education With a new foreword by leading educationist Peter McLaren this comprehensive accessible and thought provoking book will be of interest to teachers

student teachers education students and all those more generally interested in issues of equality and human rights

**Disabling Migration Controls** Rebecca Yeo, 2024-06-10 When people are prevented from meeting their needs the impact is disabling whether in the immigration system or in the wider population Drawing on many years of research and activism this book argues that insights from the disabled people's movement particularly the original Social Model of Disability can be usefully extended to focus resistance on the disabling restrictions imposed on people subject to asylum and immigration controls While acknowledging the pain and discomfort of many impairments and of forced displacement the book focuses on injustices that can be changed It does not catalogue the hostility of the hostile environment Nor does it promote inclusive asylum restrictions An unjust system is not transformed by including disabled people Policies designed to deprive people of essential needs and to stoke hatred among the wider population are core elements of the rise of fascism In this context bringing together movements for disability and migrant justice could help build urgently needed solidarity and resistance with which to develop a society based on equity and common humanity Quotations and images are used to convey the messages and priorities of disabled people seeking asylum ensuring that the book is both engaging and grounded in the insights of lived experience This book will interest people seeking to improve social justice including scholars of disability migration sociology and politics

**Disrupting Hierarchy in Education** Antonia Darder, 2024 This book features rich examples of real world social change projects At the book's core is Paulo Freire's theorization of students and teachers working together toward co-liberation Projects span academic disciplines and geographical locations from K-12 university college and non-formal educational contexts Chapters include discussion questions and suggested activities
