Enhancing Chinas Competitiveness Through Lifelong Learning Wbi Development Studies:

Enhancing China's Competitiveness Through Lifelong Learning Carl J. Dahlman, Douglas Zhihua Zeng, Shuilin Wang, 2007

This book discusses the issues and steps involved in building a lifelong learning system in China including a coherent policy framework a sound incentive and institutional framework a sound regulatory environment a coordinated governance process a timely and reliable management information system a dynamic link with the evolving global system and the optimal use of limited resources

Thinking for a Living Kenneth A. Megill, 2012-12-06 This book questions our beliefs in the role of the information profession and tells us how to become information workers of the future by providing advice on overcoming the challenges facing the library profession It develops the idea of the knowledge culture and knowledge work and goes on to expand how information needs to be shared and not hoarded as in the traditional role of libraries as keepers of knowledge

This second edition provides a clear and very accessible practical framework for knowledge work

Chinese Firms Going Global: Can They Succeed? Joseph C Healy, 2018-06-11 China has increased its engagement with the world and is pursuing ambitious economic goals Much has been written about the economic and social impact of Inbound Foreign Direct Investment IFDI on China with the transfer in of Western resources and expertise Less has been written in an accessible way at least on the unleashing of the entrepreneurial spirit and Outbound Foreign Direct Investment OFDI of China as Chinese firms have gone global The global expansion of Chinese firms is a recent phenomenon which is not well understood The book is aimed at providing an important context for understanding the challenges and biases Chinese firms face while going global using a multi disciplinary approach weaving themes from history contemporary Chinese politics geopolitics international relations economics finance strategy culture and society together with the role of management education in developing entrepreneurs capabilities for success The book also explores the basis upon which Chinese firms can compete outside their domestic market by using a Four Cs framework core capabilities cultural adaptability competencies of management and country of origin The book argues that weaknesses in several of the Four Cs might be compensated for by the Fifth C cooperation from government The book will appeal to the growing legion of China watchers and general readers who are open minded and keen to better understand the increasing profile of Chinese firms in international markets Are they a threat To whom And why

China's Changing Workplace Peter Sheldon, Sunghoon Kim, Yiqiong Li, Malcolm Warner, 2011-04-15 This book explores the diversity and dynamism of China's workplaces and of the wider labour market experiences of its workforce Drawing on the authors extensive recent research it considers a diverse range of issues and types of workplaces These changes include the continuing spread of market oriented human resource management across public and private sector organisations greater employment rights for workers local diversity in regulatory control alongside the governmental priority of a harmonious society persistent shortages of skilled labour co existing with vast underemployment amongst the unskilled uneven access to education and training across regions and changes in union behaviour and influence Unlike other

studies which tend to assume changes to management work and employment are relatively uniform across modernising parts of the economy this book conveys the rich variety among contemporary China's local labour markets by looking at them and the institutions that influence them from the bottom up It focuses on other under explored but emerging phenomena such as family owned firms the role of private services businesses and the emergence of employer associations **Educational**
