of mass tort litigation in the light of corporate greed *Law for Artists* Blu Tirohl, 2014-11-27 Written especially for
professional artists and those studying the visual arts Law for Artists is an accessible guide to those aspects of law that
impact on artists and their work It encompasses a comprehensive range of creative practices including fine art photography
the graphic and plastic arts animation illustration applied and media arts as well as fashion textile and product design As one
of the few academics working in this field Blu Tirohl clearly explains the legal principles such as intellectual property
censorship freedom of expression and criminal law that are relevant to artists working in a range of disciplines In order to
illustrate these key concepts the book includes an engaging collection of examples of artists who have come into conflict with
the law demonstrating precisely the challenges faced by creative practitioners The author also explores how the
establishment co-opts transgressive artists bringing about a range of contradictions that create legal inconsistencies While
the focus is primarily on UK law the reader is also given ample information to understand how European law affects them An
entire chapter is also dedicated to the comparative study of US Law through well known cases ensuring students have a well
rounded knowledge of the concepts that they need to consider in a professional context The book also provides additional

resources including a list of useful websites a glossary of key terms as well as a list of statutes and cases Law for Artists is an invaluable resource to professional practitioners and art graduates as well as the academics who instruct them This insightful publication the first of its kind helps introduce artists to the professional practice skills needed to ensure they are well equipped to deal with working life **The Law (in Plain English) for Small Business** Leonard D.
