Frontiers in Entrepreneurship Boris Urban, 2010-07-23 Te series Perspectives in Entrepreneurship A Research Companion provides an authoritative overview of specialised themes in entrepreneurship Each of the four books presents the conceptual framework and foundations underlying a specialist field of scholarship in entrepreneurship Te series is inspired by the dearth of higher level texts available in South Africa failing to encapsulate the rigorous research evident in the growing field of entrepreneurship internationally Te content is driven by a judicious selection and interpretation of key knowledge set in context by introducing and delineating major topics previously not discussed in depth in traditional entrepreneurial texts A blend of theoretical and empirical evidence is presented that collectively demonstrates the convergence of thinking on a particular theme Identifying and evaluating the most seminal and impactful scholarly research on different subject areas where entrepreneurship is at the core serves to achieve this convergence By applying a theoretical lens to central issues about entrepreneurship rather than focusing on practical issues of how to the series has a conceptual outlook with specialist areas in detailed narrative Te book is deliberately structured to

add value to learners who are undertaking secondary programmes in entrepreneurship by building on basic entrepreneurship principles and theory The series builds on fundamental entrepreneurial texts Each book provides a valuable knowledge base for educators third year and postgraduate students researchers policy makers and service providers

Business Management for Entrepreneurs Cecile Nieuwenhuizen, 2007 Business Management for Entrepreneurs introduces entrepreneurs and managers of small and medium sized businesses to all the functions needed to manage these organizations successfully This is an essential guide to the small business management competencies that are essential for the success of a smaller business *Entrepreneurship in South Africa and the United States* Don-Terry Veal, Keenan Grenell, 2008 This work provides a comprehensive examination of the realities changes and public policy outcomes that are influenced by the African American entrepreneurship experience An excellent resource it examines perspectives from which all businesses ranging from small to large national and international can benefit **The Emerald Handbook of Entrepreneurship in Tourism, Travel and Hospitality** Marios Sotiriadis, 2018-07-11 This book is a practical handbook for entrepreneurship in tourism related industries The book will provide students and prospective entrepreneurs with the knowledge know how and best practices in order to assist them in planning implementing and managing business ventures in the field of tourism *Enterprise: Concepts and Issues* Norin Arshed, Mike Danson, 2016-01-31 Introduces the terms theories and practices in the fields of entrepreneurship and enterprise to look deeper into this phenomena It covers the origins and development of entrepreneurialism and addresses the drivers barriers and evolution into new areas of business and economic activity **ICMLG2014 Proceedings of the 2nd International Conference on Management, Leadership and Governance** Philip Arthur Dover, Sam Hariharan, Michael G. Cummings, 2014-01-02 **Essays on the Evolution of the Post-Apartheid State** Mcebisi Ndletyana, 2015-02-01 This book critically examines the challenges successes and failures of the post 1994 South African state against the humane values enshrined in its constitution nonracial democracy and respect for all generations of human rights civil political social economic resources and the environment and gender and communication The book sheds light on the difficulties faced by the State when trying to bring together a diverse society comprised of traditional South African Western based and other African immigrant cultures into a cohesive nation with a common South African identity The views of the essays may not be entirely consistent and the issues they raise may be contentious This merely affirms the truism that the State is a contested terrain The aim of this book is to deepen the search for an understanding of the theory of the State as it applies to a transforming society such as ours and to trudge the dividing line between theory and practice so they can feed into each other in a progressive spiral towards the desired end state **Strategy** Geoff Goldman, Cecile Nieuwenhuizen, 2006 This book introduces learners to the fundamental concepts of strategic management of a small business in the context of increasing globalisation The text is designed to provide learners with the tools to analyse formulate and implement strategies that will enhance the performance of any small business
