David K. Yoo, Eiichiro Azuma

Entry Denied Exclusion And The Chinese Community In America 1882 1943:

Entry Denied Sucheng Chan, 1994-01-01 In 1882 Congress passed a Chinese exclusion law that barred the entry of Chinese laborers for ten years The Chinese thus became the first people to be restricted from immigrating into the United States on the basis of race Exclusion was renewed in 1892 and 1902 and finally made permanent in 1904 Only in 1943 did Congress rescind all the Chinese exclusion laws as a gesture of goodwill towards China an ally of the United States during World War II *Entry Denied* is a collection of essays on how the Chinese exclusion laws were implemented and how the Chinese as individuals and as a community in the U S mobilized to mitigate the restrictions imposed upon them It is the first book in English to rely on Chinese language sources to explore the exclusion era in Chinese American history Author note Sucheng Chan Professor and Chair of Asian American Studies at the University of California Santa Barbara is general editor of Temple s Asian American History and Culture Series

Remaking Chinese America Xiaojian Zhao, 2002 In *Remaking Chinese America* Xiaojian Zhao explores the myriad forces that changed and unified Chinese Americans during a key period in American history Prior to 1940 this immigrant community was predominantly male but between 1940 and 1965 it was transformed into a family centered American ethnic community Zhao pays special attention to forces both inside and outside of the country in order to explain these changing demographics She scrutinizes the repealed exclusion laws and the immigration laws enacted after 1940 Careful attention is also paid to evolving gender roles since women constituted the majority of newcomers significantly changing the sex ratio of the Chinese American population As members of a minority sharing a common cultural heritage as well as pressures from the larger society Chinese Americans networked and struggled to gain equal rights during the cold war period In defining the political circumstances that brought the Chinese together as a cohesive political body Zhao also delves into the complexities they faced when questioning their personal national allegiances *Remaking Chinese America* uses a wealth of primary sources including oral histories newspapers genealogical documents and immigration files to illuminate what it was like to be Chinese living in the United States during a period that until now has been little studied

The Expanding Roles of Chinese Americans in U.S.-China Relations Peter Koehn, Xiao-Huang Yin, Xiao-huang Yin, 2015-02-12 This book addresses the historical and contemporary involvement of Chinese Americans from diverse walks of life in U S China relations The contributors present new evidence and fresh perspectives on familiar and unfamiliar national and transnational networks including families businesspersons community newspapers students lobbyists philanthropists and scientists and consider the likely future impact of such contacts on the most important bilateral relationship at the start of the new millennium The volume makes a multidisciplinary contribution to understanding the extensive and vital roles and promise of Chinese Americans at this critical juncture in U S China relations and to revealing the importance of migrants as actors in contemporary global politics The assessments shared by the contributors suggest that the nature and scope of the Chinese American involvement particularly in global civil society networks increasingly will

determine the outcome of state to state relations between the United States and the PRC *Being Chinese, Becoming Chinese American* Shehong Chen, 2023-03-20 The 1911 revolution in China sparked debates that politicized and divided Chinese communities in the United States People in these communities affirmed traditional Chinese values and expressed their visions of a modern China while nationalist feelings emboldened them to stand up for their rights as an integral part of American society When Japan threatened the China's young republic the Chinese response in the United States revealed the limits of Chinese nationalism and the emergence of a Chinese American identity Shehong Chen investigates how Chinese immigrants to the United States transformed themselves into Chinese Americans during the crucial period between 1911 and 1927 Chen focuses on four essential elements of a distinct Chinese American identity support for republicanism over the restoration of monarchy a wish to preserve Confucianism and traditional Chinese culture support for Christianity despite a strong anti Christian movement in China and opposition to the Nationalist party's alliance with the Soviet Union and cooperation with the Chinese Communist Party Sensitive and enlightening *Being Chinese Becoming Chinese American* documents how Chinese immigrants survived exclusion and discrimination envisioned and maintained Chineseness and adapted to American society *Chinese America: History and Perspectives 1995* , **The Oxford Handbook of Asian American History** David K. Yoo, Eiichiro Azuma, 2016-02-01 After emerging from the tumult of social movements of the 1960s and 1970s the field of Asian American studies has enjoyed rapid and extraordinary growth Nonetheless many aspects of Asian American history still remain open to debate The Oxford Handbook of Asian American History offers the first comprehensive commentary on the state of the field simultaneously assessing where Asian American studies came from and what the future holds In this volume thirty leading scholars offer original essays on a wide range of topics The chapters trace Asian American history from the beginning of the migration flows toward the Pacific Islands and the American continent to Japanese American incarceration and Asian American participation in World War II from the experience of exclusion violence and racism to the social and political activism of the late twentieth century The authors explore many of the key aspects of the Asian American experience including politics economy intellectual life the arts education religion labor gender family urban development and legal history The Oxford Handbook of Asian American History demonstrates how the roots of Asian American history are linked to visions of a nation marked by justice and equity and to a deep effort to participate in a global project aimed at liberation The contributors to this volume attest to the ongoing importance of these ideals showing how the mass politics creative expressions and the imagination that emerged during the 1960s are still relevant today It is an unprecedentedly detailed portrait of Asian Americans and how they have helped change the face of the United States **To Save China, To Save Ourselves** Renqiu Yu, 2011-02-07 Combining archival research in Chinese language sources with oral history interviews Renqiu Yu examines the Chinese Hand Laundry Alliance CHLA an organization that originated in 1933 to help Chinese laundry workers break their isolation in American society Yu brings to life the men who labored in New York

laundries depicting their meager existence their struggles against discrimination and exploitation and their dreams of returning to China The persistent efforts of the CHLA succeeded in changing the workers status in American society and improving the image of the Chinese among the American public Yu is especially concerned with the political activities of the CHLA which was founded in reaction to proposed New York City legislation that would have put the Chinese laundries out of business When the conservative Chinese social organization could not help the launderers they broke with tradition and created their own organization Not only did the CHLA defeat the legislative requirements that would have closed them down but their people s diplomacy won American support for China during its war with Japan The CHLA staged a campaign in the 1930s and 40s which took as its slogan To Save China To Save Ourselves Focusing on this campaign Yu also examines the complex relationship between the democratically oriented CHLA and the Chinese American left in the 1930s

The Routledge History of U.S. Foreign Relations Tyson Reeder, 2021-12-30 The Routledge History of U S Foreign Relations provides a comprehensive view of U S diplomacy and foreign affairs from the founding to the present With contributions from recognized experts from around the world this volume unveils America s long and complicated history on the world stage It presents the United States evolution from a weak player even a European pawn to a global hegemonic leader over the course of two and a half centuries The contributors offer an expansive vision of U S foreign relations from U S Native American diplomacy in eighteenth and nineteenth centuries to the post 9 11 war on terror They shed new light on well known events and suggest future paths of research and they capture lesser known episodes that invite reconsideration of common assumptions about America s place in the world Bringing these discussions to a single forum the book provides a strong reference source for scholars and students who seek to understand the broad themes and changing approaches to the field This book will be of interest to students and scholars of U S history political science international relations conflict resolution and public policy amongst other areas

Unbound Feet Judy Yung, 2023-11-15 The crippling custom of footbinding is the thematic touchstone for Judy Yung s engrossing study of Chinese American women during the first half of the twentieth century Using this symbol of subjugation to examine social change in the lives of these women she shows the stages of unbinding that occurred in the decades between the turn of the century and the end of World War II The setting for this captivating history is San Francisco which had the largest Chinese population in the United States Yung a second generation Chinese American born and raised in San Francisco uses an impressive range of sources to tell her story Oral history interviews previously unknown autobiographies both English and Chinese language newspapers government census records and exceptional photographs from public archives and private collections combine to make this a richly human document as well as an illuminating treatise on race gender and class dynamics While presenting larger social trends Yung highlights the many individual experiences of Chinese American women and her skill as an oral history interviewer gives this work an immediacy that is poignant and effective Her analysis of intraethnic class rifts a major gap in ethnic history sheds important

light on the difficulties that Chinese American women faced in their own communities Yung provides a more accurate view of their lives than has existed before revealing the many ways that these women rather than being passive victims of oppression were active agents in the making of their own history The crippling custom of footbinding is the thematic touchstone for Judy Yung s engrossing study of Chinese American women during the first half of the twentieth century Using this symbol of subjugation to examine social change in the lives of these women

Comstock Women Ronald M. James,C. Elizabeth Raymond,1997-12-01 When it comes to Nevada history men get most of the ink Comstock Women is a collection of 14 historical studies that helps to rectify that reality The authors of these essays who include some of Nevada s most prominent historians demographers and archaeologists explore such topics as women and politics jobs and ethnic groups Their work goes far in refuting the exaggerated popular images of women in early mining towns as dance hall girls or prostitutes Relying primarily on newspapers court decisions census records as well as sparse personal diaries and records left by the woman the essayists have resurrected the lives of the women who lived on the Comstock during the boom years

Asian American Studies Now Jean Yu-Wen Shen Wu,Thomas Chen,2010-03-08 Asian American Studies Now truly represents the enormous changes occurring in Asian American communities and the world changes that require a reconsideration of how the interdisciplinary field of Asian American studies is defined and taught This comprehensive anthology arranged in four parts and featuring a stellar group of contributors summarizes and defines the current shape of this rapidly changing field addressing topics such as transnationalism U S imperialism multiracial identity racism immigration citizenship social justice and pedagogy Jean Yu wen Shen Wu and Thomas C Chen have selected essays for the significance of their contribution to the field and their clarity brevity and accessibility to readers with little to no prior knowledge of Asian American studies Featuring both reprints of seminal articles and groundbreaking texts as well as bold new scholarship Asian American Studies Now addresses the new circumstances new communities and new concerns that are reconstituting Asian America

Graphic News Amanda Frisken,2020-03-23 You furnish the pictures and I ll furnish the war This famous but apocryphal quote long attributed to newspaper magnate William Randolph Hearst encapsulates fears of the lengths to which news companies would go to exploit visual journalism in the late nineteenth century From 1870 to 1900 newspapers disrupted conventional reporting methods with sensationalized line drawings A fierce hunger for profits motivated the shift to emotion driven visual content But the new approach while popular often targeted and further marginalized vulnerable groups Amanda Frisken examines the ways sensational images of pivotal cultural events obscenity litigation anti Chinese bloodshed the Ghost Dance lynching and domestic violence changed the public s consumption of the news Using intersectional analysis Frisken explores how these newfound visualizations of events during episodes of social and political controversy enabled newspapers and social activists alike to communicate or challenge prevailing understandings of racial class and gender identities and cultural power

Asian American History and Culture: An Encyclopedia Huping Ling,Allan W.

Austin,2015-03-17 With overview essays and more than 400 A Z entries this exhaustive encyclopedia documents the history of Asians in America from earliest contact to the present day Organized topically by group with an in depth overview essay on each group the encyclopedia examines the myriad ethnic groups and histories that make up the Asian American population in the United States Asian American History and Culture covers the political social and cultural history of immigrants from East Asia Southeast Asia South Asia the Pacific Islands and their descendants as well as the social and cultural issues faced by Asian American communities families and individuals in contemporary society In addition to entries on various groups and cultures the encyclopedia also includes articles on general topics such as parenting and child rearing assimilation and acculturation business education and literature More than 100 images round out the set Remapping Asian American History Sucheng Chan,2003 Remapping Asian American History exemplifies the emerging trends in the writing of Asian American history and fills substantive gaps in our knowledge about particular Asian ethnic groups Edited by noted scholar Sucheng Chan the essays in this volume uses new frameworks such as transnationalism the political contexts of international migrations and a multipolar approach to the study of contemporary U S race relations These concerns often ignored in earlier studies that focused on social and economic aspects of Asian American communities challenge some long held assumptions about Asian American communities and point to new directions in Asian American historiography Historians students and teachers of anthropology Asian and Asian American Studies race and ethnic studies U S immigration history and American Studies will find this collection invaluable The Making of Modern Immigration Patrick J. Hayes,2012-02-13 Combining the insight of two dozen expert contributors to examine key figures events and policies over 200 years of U S immigration history this work illuminates the foundations of the ethnic and socioeconomic makeup of our nation The two volume The Making of Modern Immigration An Encyclopedia of People and Ideas is organized around a series of four dozen in depth essays on specific aspects of American immigration history since the founding of the Republic This encyclopedia addresses the major historical themes and contemporary research trends related to U S immigration canvassing all the major policy endeavors on immigration in the last two centuries In addition to documenting immigration policy the contributors devote extensive attention to the historiography of immigration supplementing theories with cutting edge sociological data Not content with providing a comprehensive overview of immigration history however the work also offers probing investigations of key figures behind the ideas that have shaped the nation s self understanding Taken as a whole this seminal work lifts out the personalities and policies that surround the composition of America s national identity illuminating the past as a series of lessons for the future Chinese Overseas Chee-Beng Tan,Colin Storey,Julia Zimmerman,2007 The issue of Chinese diaspora is a fascinating phenomenon in the midst of globalism and there is a growing interest in studies of overseas Chinese not only overseas but in China itself This volume the result of an international conference on Chinese overseas studies deals with issues of research and documentation of Chinese migration and migrants It brings together the efforts of

scholars and librarians in examining the research and documentation of Chinese overseas Documentation must go hand in hand with research and this book reiterates the need for greater cooperation between librarians and scholars In addition to discussion on research and library and archival documentation the book also takes a look at Chinese overseas in different parts of the world especially Southeast Asia and North America as well as South Africa and Cuba **Racial Castration** David L. Eng,2001-03-20 A psychoanalytic study that argues for the centrality of sexuality in the construction of Asian American identity and of racial identity in general **Celebrating the Family** Elizabeth H. Pleck,2000-07-04 Pleck examines changes in the way Americans celebrate holidays like Christmas or birthdays **International Migration Law** Vincent Chetail,2019-04-04 International Migration Law provides a detailed and comprehensive overview of the international legal framework applicable to the movement of persons across borders The role of international law in this field is complex and often ambiguous there is no single source for the international law governing migration The current framework is scattered throughout a wide array of rules belonging to numerous fields of international law including refugee law human rights law humanitarian law labour law trade law maritime law criminal law and consular law This textbook therefore cuts through this complexity by clearly demonstrating what the current international law is and assessing how it operates The book offers a unique and comprehensive mapping of this growing field of international law It brings together and critically analyses the disparate conventional customary and soft law on a broad variety of issues such as irregular migration human trafficking refugee protection labour migration non discrimination regional free movement schemes and global migration governance It also offers a particular focus on important groups of migrants namely migrant workers refugees and smuggled migrants It maps the current status of the law governing their movement providing a thorough critical analysis of the various stands of international law which apply to them suggesting how the law may continue to develop in the future This book provides the perfect introduction to all aspects of migration and international law **Garden of the World** Cecilia M. Tsu,2013-07-18 Garden of the World examines how overlapping waves of Chinese Japanese and Filipino immigrants fundamentally altered the agricultural economy and landscape of the Santa Clara Valley as well as white residents ideas about race gender and what it meant to be an American family farmer
