**Enclave** Claire G. Coleman, 2022-06-29 LONGLISTED FOR THE MILES FRANKLIN LITERARY AWARD 2023 These are troubling times The world is a dangerous place the voice of the Chairman said I can continue to assure you of this within the Wall you are perfectly safe Christine could not sleep she could not wake she could not think She stared half blind at the cold screen of her smartphone She was told the Agency was keeping them safe from the dangers outside an outside world she would never see She never imagined questioning what she was told what she was allowed to know what she was permitted to think She never even thought there were questions to ask The enclave was the only world she knew the world outside was not safe Staying or leaving was not a choice she had the power to make But then Christine dared start thinking and from that moment danger was everywhere In our turbulent times Claire G Coleman s *Enclave* is a powerful dystopian allegory that confronts the ugly realities of racism homophobia surveillance greed and privilege and the self destructive distortions that occur when we ignore our shared humanity A brilliant engrossing necessary read **COURIER MAIL** Much of this novel feels frighteningly plausible Coleman s world shimmers on the page like a heat haze **ARTS HUB** If you liked Margaret Atwood s *The Handmaid s Tale* or Charlotte Woods *The Natural Way of Things* this one is clearly for you **SYDNEY MORNING HERALD** The book holds up a thoughtful mirror showing us to ourselves using an all too real future **KILL YOUR DARLINGS** *Enclave* is a novel that inclines towards hope offers us an alternative a world in which people in meeting the demands of the present with curiosity courage and conviction can bring about a more just and inclusive future **NEW DAILY** Coleman can turn a deft phrase She writes a mean chase sequence ramping up the suspense when she wants with fight scenes and great narrative propulsion **THE AGE** Coleman offers an urgent critique of bigotry and implicitly of colonialism writing with conviction about the ways technology can be misused by those in power but also how it might be deployed for good Indeed despite its dystopian tenor *Enclave* is ultimately a hopeful novel and one which suggests it is far from futile to aspire to a better future **MANJIMUP BRIDGETOWN TIMES** If Margaret Atwood s dystopian *Handmaid s Tale* ignited a spark you ll rip through Claire Coleman s new novel like a forest fire **MARIE CLAIRE** She is toying with the canon but also placing menacing signposts of the unsustainability of the settlement s brutal exclusionary politics *Enclave* is a clarion shout against demonising the unfamiliar and the temptation to withdraw into a bubble **THE GUARDIAN**

Marina Benjamin,2006-10-31 Marina Benjamin grew up in London feeling estranged from her family s exotic Middle Eastern ways She refused to speak the Arabic her mother and grandmother spoke at home She rejected the peculiar food they ate in favor of hamburgers and beer But when Benjamin had her own child a few years ago she realized that she was losing her link to the past In Last Days in Babylon Benjamin delves into the story of her family s life among the Jews of Iraq in the first half of the twentieth century When Iraq gained independence in 1932 Jews were the largest and most prosperous ethnic group in Baghdad They dominated trade and finance hobnobbed with Iraqi dignitaries and lived in grandiose villas on the banks of the Tigris Just twenty years later the community had been utterly ravaged its members effectively expelled from the country by a hostile Iraqi government Benjamin s grandmother Regina Sehayek lived through it all Born in 1905 when Baghdad was still under Ottoman control her childhood was a virtual idyll This privileged existence was barely touched when the British marched into Iraq But with the rise of Arab nationalism and the first stirrings of anti Zionism Regina then a young mother began to have dark premonitions of what was to come By the time Iraq was galvanized by war revolution and regicide Regina was already gone her hair raising escape a tragic exodus from a land she loved and a permanent departure from the husband whose gentle guiding hand had made her the woman she was Benjamin s keen ear and fluid writing bring to life Regina s Baghdad both good and bad More than a stirring story of survival Last Days in Babylon is a bittersweet portrait of Old World Baghdad and its colorful Jewish community whose roots predate the birth of Islam by a thousand years and whose culture did much to make Iraq the peaceful desert paradise that has since become a distant memory In 2004 Benjamin visited Baghdad for the first time searching for the remains of its once vital Jewish community What she discovered will haunt anyone who seeks to understand a country that continues to command the world s attention just as it did when Regina Sehayek proudly walked through Baghdad s streets By turns moving and funny Last Days in Babylon is an adventure story a riveting history and a timely reminder that behind today s headlines are real people whose lives are caught too often tragically in the crossfire of misunderstanding age old prejudice and geopolitical ambition **Harbinger's End** Elliott Michaelson,2011-06 A thousand years ago as a group of citizens gather in the center square of Halcyon twelve giant visitors appear to warn the crowd of an impending chaos that will determine the future of their world The visitors quickly vanish leaving the residents

confused and frightened Everyone has unknowingly just witnessed the Great Epiphany Now a shadow lies over the future of Halcyon as the omen uttered a thousand years ago reaches its conclusion While the people of Halcyon remain divided the Champion of Chaos is gathering strength Fearing that dark chaos is looming the leaders of the Circle and the religion of Assize begin a secret search for signs of the fabled Savior of Order Meanwhile Duncan Milius an officer in Halcyon s elite military force struggles to find his place in a world that considers his people outcasts But he cannot avoid the monumental events that will soon propel him to the forefront of his world s struggle for survival During the final days of a world beyond time and imagination the residents of Halcyon will soon realize that their dream for their future is not only worth fighting for but worth living for regardless of the personal cost     Harbinger's End (Book 1) Elliott Michaelson,2014-04-30 A thousand years ago a group of citizens gathers in the center square of Halcyon as twelve giant visitors appear to warn the crowd of an impending chaos that will determine the fate of their world The visitors quickly vanish leaving the residents confused and frightened Everyone has unknowingly just witnessed the Great Epiphany Now a shadow lies over the future of Halcyon as the omen uttered a thousand years ago reaches its conclusion While the people of Halcyon remain divided the Champion of Chaos is gathering strength Fearing the looming Chaos the leaders of the Circle and the religion of Assize begin a secret search for signs of the fabled Savior of Order Meanwhile Duncan Milius an officer in Halcyon s elite military force struggles to find his place in a world that considers his people outcasts But he cannot avoid the duties that are thrust upon him by a military that needs his skill but questions his loyalty In a world beyond time and imagination the residents of Halcyon face their future with foreboding Praying that the fated Meeting between Chaos and Order arrives in a future generation they feel a growing dread that the Meeting and the destruction it brings are on the horizon Herald is the first chapter in the Harbinger s End cycle     **Last Days: Zombie Apocalypse: Seasons** Ash Barker,2019-09-19 Last Days Zombie Apocalypse Seasons brings an all new campaign to the skirmish scale miniatures game of survival horror taking players through the changing seasons and the challenges this brings to their Groups of survivors As well as rival gangs and mindless zombies your Group will have to deal with hunger thirst warmth and the many other problems that can t be stopped with a well placed bullet Featuring a host of new character types scavenge tables scenarios and even rules for using bicycles motorbikes and snowmobiles this expansion is essential for a survivor during the last days     **Enclave** Ann Aguirre,2011-04-12 New York City has been decimated by war and plague and most of civilization has migrated to underground enclaves where life expectancy is no more than the early 20 s When Deuce turns 15 she takes on her role as a Huntress and is paired with Fade a teenage Hunter who lived Topside as a young boy When she and Fade discover that the neighboring enclave has been decimated by the tunnel monsters or Freaks who seem to be growing more organized the elders refuse to listen to warnings And when Deuce and Fade are exiled from the enclave the girl born in darkness must survive in daylight guided by Fade s long ago memories in the ruins of a city whose population has dwindled to a few dangerous gangs Ann Aguirre s thrilling

**Narratives** Douglas M. Gibler, 2018-03-22 A militarized interstate dispute MID refers to international conflict short of war The MID dataset from the Correlates of War Project catalogs summary data on all threats displays and uses of force between two or more states These dispute data are essential in quantitative analyses of international conflict and other issues such as diplomatic efforts and security policy The problem however is that they offer little information barring a brief summary of the conflict event This work remedies it by providing original detailed narrative descriptions of what occurred in each case Organized by rivalry and within geographic regions these case descriptions written specifically for this work will be an essential resource for those interested in the causes histories and consequences of international conflicts

**Degrade and Destroy** Michael R. Gordon, 2022-06-14 This is the ultimate insider's view of perhaps the darkest chapter of the Forever Wars Michael Gordon knows everyone was seemingly everywhere and brings a lifetime of brilliant reporting to telling this crucial story Retired U S Navy admiral James Stavridis 16th Supreme Allied Commander of NATO and author of To Risk it All Nine Crises and the Crucible of Decision An essential account of the struggle against ISIS and of how Presidents Obama Trump and Biden have waged war In the summer of 2014 President Barack Obama faced an unwelcome surprise insurgents from the Islamic State had seized the Iraqi city of Mosul and proclaimed a new caliphate which they were ruling with an iron fist and using to launch terrorist attacks abroad After considerable deliberation President Obama sent American troops back to Iraq The new mission was to degrade and ultimately destroy ISIS primarily by advising Iraqi and Syrian partners who would do the bulk of the fighting and by supporting them with airpower and artillery More than four years later the caliphate had been dismantled the cities of Mosul and Raqqa lay in ruins and several thousand U S troops remained to prevent ISIS from making a comeback The by with and through strategy was hailed as a template for future campaigns But how was the war actually fought What were the key decisions successes and failures And what was learned In Degrade and Destroy the bestselling author and Wall Street Journal national security correspondent Michael R Gordon reveals the strategy debates diplomatic gambits and military operations that shaped the struggle against the Islamic State With extraordinary access to top U S officials and military commanders

and to the forces on the battlefield Gordon offers a riveting narrative that ferrets out some of the war's most guarded secrets. Degrade and Destroy takes us inside National Security Council meetings at which Obama and his top aides grapple with early setbacks and discuss whether the war can be won. It also offers the most detailed account to date of how President Donald Trump waged war delegating greater authority to the Pentagon but jeopardizing the outcome with a rush for the exit. Drawing on his reporting in Iraq and Syria, Gordon documents the closed-door deliberations of U.S. generals with their Iraqi and Syrian counterparts and describes some of the toughest urban battles since World War II. As Americans debate the future of using force abroad, Gordon's book offers vital insights into how our wars today are fought against militant foes and the enduring lessons we can draw from them.

### **Enclave End Days Part Beginning Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Enclave End Days Part Beginning has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Enclave End Days Part Beginning has opened up a world of possibilities. Downloading Enclave End Days Part Beginning provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Enclave End Days Part Beginning has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Enclave End Days Part Beginning. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Enclave End Days Part Beginning. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Enclave End Days Part Beginning, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Enclave End Days Part Beginning has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
