*Translated by Frank Jellinek*

# Enlightenment And Romanticism In Eighteenth Century Prussia

**James Q. Whitman**

## **Enlightenment And Romanticism In Eighteenth Century Prussia:**

*Enlightenment and Romanticism in Eighteenth-century Prussia* Henri Brunschwig, 1974 The way Brunschwig connects the socio economic and intellectual literary history of Prussia strikes me as a model of historiographical wisdom the analysis he gives of the German Romantics has enough resonances with recent patterns of youthful revolutionary modes to make the book remarkably topical Henri Brunschwig s major historical work was originally published in Paris in 1947 and has been recognized as a classic in its field The first English translation completed in 1974 includes a preface by the author and an addition to the appendix on the emancipation of the Jews in Prussian society The Prussia of Frederick II based largely on political and social concepts of the Aufklärung the Enlightenment was a model state Yet during the last years of the eighteenth century its structure disintegrated to the surprise of its supporters and the continuing interest of historians The purpose of Brunschwig s study is to describe the system of the Aufklärung in Prussia to break it down into its component parts the crisis which came to undermine it and to account for the change in mentality when Prussian citizens moved away from an attitude of rationalism to one of intense Romanticism Brunschwig combs a wide range of primary sources dealing with such varied phenomena as vagrancy and brigandage career opportunities for young theological candidates concepts of the miraculous etc He constructs an unfailingly interesting picture of the era one that should be helpful to all students of German letters and history [Enlightenment and Romanticism in Eighteenth-Century Prussia](#) Henri Brunschwig, 1977

[Ordinary Prussians](#) William W. Hagen, 2002-12-12 Table of contents [Eighteenth Century Europe, 1700-1789](#) Jeremy Black, 1999-10-04 This new edition of this highly successful and influential work includes two entirely new chapters on Europe and the wider world and on the Revolutionary crisis and is extensively revised throughout It offers a wide ranging thematic account of the century that explores social cultural and economic topics as well as giving a clear analysis of the political events Filled with fascinating detail and unusual examples this absorbing history of eighteenth century Europe will bring the period alive to students and teachers alike **The Cambridge History of Science: Volume 4,**

**Eighteenth-Century Science** David C. Lindberg, Roy Porter, Ronald L. Numbers, 2003-03-17 The fullest and most complete survey of the development of science in the eighteenth century **German History, 1770-1866** James J. Sheehan, 1989

Now available in paperback this is a uniquely authoritative study of Germany from the mid eighteenth century to the formation of the Bismarckian Reich James J Sheehan gives an extensive account of social and cultural as well as political developments and shows that the creation of a Prussian led nation state should not be seen as natural or inevitable He shows how German history in this period was shaped by three separable yet closely linked developments the rise of sovereign territorial states the expansion of economic activity and social mobility and the emergence of a literary culture *Historical Dictionary of Romantic Art and Architecture* Allison Lee Palmer, 2019-07-26 Romanticism is multifaceted and a wide range of nostalgic emotional and exotic concerns were expressed in such styles and movements as the Gothic Revival Classical Revival

Orientalism and the Pre Raphaelite Brotherhood Some movements were regional and subject specific such as the Hudson River School of landscape painting in the United States and the German Nazarene movement which focused primarily on religious art in Rome The movements range across Western Europe and include the United States This dictionary will provide a fuller historical context for Romanticism and enable the reader to identify major trends and explore artists of the period This second edition of Historical Dictionary of Romantic Art and Architecture contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross referenced entries on major artists of the romantic era as well as entries on related art movements styles aesthetic philosophies and philosophers This book is an excellent resource for students researchers and anyone wanting to know more about Romantic art **Romanticism and the Sciences** Dr.

Andrew Cunningham, Nicholas Jardine, 1990-06-28 This book presents a series of essays which focus on the role of Romantic philosophy and ideology in the sciences *The Cambridge Companion to German Idealism* Karl Ameriks, 2017-08-11 This

updated edition offers a comprehensive penetrating and informative guide to what is regarded as the classical period of German philosophy Kant Fichte Hegel and Schelling are all discussed in detail along with contemporaries such as Holderlin Novalis and Schopenhauer whose influence was considerable but whose work is less well known in the English speaking world Leading scholars trace and explore the unifying themes of German Idealism and discuss its relationship to Romanticism the Enlightenment and the culture of eighteenth and nineteenth century Europe This second edition offers an updated bibliography and includes three entirely new chapters which address aesthetic reflection and human nature the chemical revolution after Kant and organism and system in German Idealism The result is an illuminating overview of a rich and complex philosophical movement and will appeal to a wide range of interested readers in philosophy literature theology German studies and the history of ideas **The Legacy of Roman Law in the German Romantic Era** James Q.

Whitman, 2014-07-14 Well after the process of codification had begun elsewhere in nineteenth century Europe ancient Roman law remained in use in Germany expounded by brilliant scholars and applied in both urban and rural courts The survival of this flourishing Roman legal culture into the industrial era is a familiar fact but until now little effort has been made to explain it outside the province of specialized legal history James Whitman seeks to remedy this neglect by exploring the broad political and cultural significance of German Roman law emphasizing the hope on the part of German Roman lawyers that they could in some measure revive the Roman social order in their own society Discussing the background of Romantic era law in the law of the Reformation Whitman makes the great German tradition of legal scholarship more accessible to all those interested in German history Drawing on treatises already known to legal historians as well as on previously unexploited records of legal practice Whitman traces the traditions that allowed nineteenth century German lawyers like Savigny to present themselves as uniquely impartial and unpolitical This book will be of particular interest to students of the many German thinkers who were trained as Roman lawyers among them Marx and Weber Originally published in 1990 The

Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      **The Romantic Imperative** Frederick C. Beiser,2006-04-28 This book by one of the most respected scholars of the Romantic era offers an explanation of Romanticism that not only restores but enhances understanding of the movement s origins development aims and accomplishments and of its continuing relevance

**Choosing Death** Jeffrey R. Watt,2001-03-01 In this case study of the Republic of Geneva Jeffrey R Watt convincingly argues the early modern era marked decisive change in the history of suicide His analysis of criminal proceedings and death records shows that magistrates of the sixteenth and early seventeenth centuries often imposed penalties against the bodies and estates of those who took their lives According to beliefs shared by theologian John Calvin magistrates and common folk self murder was caused by demon possession Similar views and practices were found among both Protestants and Catholics throughout Reformation Europe By contrast in the late eighteenth century many philosophies defended the right to take one s life under certain circumstances Geneva s magistrates in effect decriminalized suicide and even commoners blamed suicide on mental illness or personal reversals not on satanic influences Watt uses Geneva s uniquely rich and well organized sources in this first study to provide reliable evidence on suicide rates for premodern Europe He places his findings within a wide range of historical and sociological scholarship and while suicide was rare through the seventeenth century he shows that Geneva experienced an explosion in self inflicted deaths after 1750 Quite simply early modern Geneva witnessed nothing less than the birth of modern suicide both in attitudes toward it thoroughly secularized medicalized and stripped of diabolical undertones and the frequency of it

**The Cambridge Companion to Edmund Burke** David Dwan,Christopher Insole,2012-10-22 This comprehensive and accessible Companion examines the life and writings of Edmund Burke one of the eighteenth century s most influential thinkers      **Warfare in Europe 17921815** Frederick C. Schneid,2017-11-22 This collection of essays provides a broad strategic interpretation of European warfare from 1792 1815 Unlike traditional military histories which focus on a revolution in military affairs from the French view this volume offers a general European perspective placing the armies and the wars in historical context while addressing substantive changes to respective military systems      Regulating the Social George Steinmetz,1993-08-09 Why does the welfare state develop so unevenly across countries regions and localities What accounts for the exclusions and disciplinary features of social programs How are elite and popular conceptions of social reality related to welfare policies George Steinmetz approaches these and other issues by exploring the complex origins and development of local and national social policies in nineteenth century Germany Generally regarded as the birthplace of the modern welfare state Germany experimented with a wide variety of social programs before

1914 including the national social insurance legislation of the 1880s the Elberfeld system of poor relief protocorporatist policies and modern forms of social work Imperial Germany offers a particularly useful context in which to compare different programs at various levels of government Looking at changes in welfare policy over the course of the nineteenth century differences between state and municipal interventions and intercity variations in policy Steinmetz develops an account that focuses on the specific constraints on local and national policymakers and the different ways of imagining the social question Whereas certain aspects of the pre 1914 welfare state reinforced social divisions and even foreshadowed aspects of the Nazi regime other dimensions actually helped to relieve sickness poverty and unemployment Steinmetz explores the conditions that led to both the positive and the objectionable features of social policy The explanation draws on statist Marxist and social democratic perspectives and on theories of gender and culture

**Hist West Educ:Modern West V3 James**

Bowen,2013-10-08 Volume Three of three this is a reprint of James Bowen s A History of Western Education originally published by Methuen in the 1970s Volume Three The Modern West Europe and the New World The final volume covers the period of educational dissent which became conspicuous in the early seventeenth century and reached crisis proportions in the late twentieth when the dominant ideologies of progress and equality generated at the beginning of the nineteenth century were questioned for the first time on a widespread popular scale

**Domestic Enemies Cissie**

Fairchilds,2019-12-01 Originally published in 1983 This book cuts across the class boundaries of traditionally separate fields of social history It investigates the social origins of servants their incomes their marriage and family patterns their career patterns their possibilities for social mobility their political activities and their criminality But it also investigates the history of the family and domestic life in France in the sixteenth seventeenth and eighteenth centuries for servants were at least until the rise of the affectionate nuclear family in the middle of the eighteenth century considered part of the families of those they served Finally this book is also an essay on the history of social relationships in the ancien r gime not only those between masters and servants but also the broader relationships between the ruling elite and the lower classes The introduction gives basic facts about the composition of households during the Old Regime and explores the attitudes and assumptions that underlay the employment of servants It also shows how both these attitudes and the households themselves changed dramatically in the last decades before the French Revolution Part 1 is devoted to the servants themselves One chapter deals with their lives within their employers households their work their living conditions their socializing and leisure time activities A second examines their private lives their social origins marriage and family patterns their moneymaking and their criminality And a third explores their relationships with and attitudes toward their masters In part 2 the focus shifts to an examination of master servant relationships from the masters point of view The first chapter deals with master servant relationships in general by discussing the factors that determined how employers treated their domestics The second and third chapters explore two special relationships masters sexual relationships with their servants and their relationships with

the servants who cared for them in childhood The epilogue traces the impact of the French Revolution on domestic service and sketches some of the changes in the household that were to come in the nineteenth century     Locating the Romantic Subject Gail M. Newman,1997 Gail Newman s extensive introduction locates Novalis in the sociohistorical and philosophical context of the late eighteenth century focusing on the theory of the subject that emerged at that time She outlines the relationship of psychoanalytic and literary interpretation from the Freudian to the French to her own Winnicottian perspective In the body of the text she provides a detailed and thorough analysis of Novalis s principal narrative text the novel Heinrich von Ofterdingen 1801     **Jewish High Society in Old Regime Berlin** Deborah Hertz,2005-06-28 During the quarter century between 1780 and 1806 Berlin s courtly and intellectual elites gathered in the homes of a few wealthy cultivated Jewish women to discuss the events of the day Princes nobles upwardly mobile writers actors and beautiful Jewish women flocked to the salons of Rahel Varnhagen Henriette Herz and Dorothea von Courland creating both a new cultural institution and an example of social mixing unprecedented in the German past     **Impossible Individuality** Gerald N. Izenberg,1992-06-03 Studying major writers and philosophers Schlegel and Schleiermacher in Germany Wordsworth in England and Chateaubriand in France Gerald Izenberg shows how a combination of political social and psychological developments resulted in the modern concept of selfhood More than a study of one national culture influencing another this work goes to the heart of kindred intellectual processes in three European countries Izenberg makes two persuasive and related arguments The first is that the Romantics developed a new idea of the self as characterized by fundamentally opposing impulses a drive to assert the authority of the self and expand that authority to absorb the universe and the contradictory impulse to surrender to a greater idealized entity as the condition of the self s infinity The second argument seeks to explain these paradoxes historically showing how romantic individuality emerged as a compromise Izenberg demonstrates how the Romantics retreated in part from a preliminary radically activist ideal of autonomy they had worked out under the impact of the French Revolution They had begun by seeing the individual self as the sole source of meaning and authority but the convergence of crises in their personal lives with the crises of the revolution revealed this ideal as dangerously aggressive and self aggrandizing In reaction the Romantics shifted their absolute claims for the self to the realm of creativity and imagination and made such claims less dangerous by attributing totality to nature art lover or state which in return gave that totality back to the self

Getting the books **Enlightenment And Romanticism In Eighteenth Century Prussia** now is not type of challenging means. You could not lonely going considering books addition or library or borrowing from your friends to admittance them. This is an categorically easy means to specifically acquire lead by on-line. ### **Enlightenment And Romanticism In Eighteenth Century Prussia Introduction**

In today's digital age, the availability of Enlightenment And Romanticism In Eighteenth Century Prussia books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Enlightenment And Romanticism In Eighteenth Century Prussia books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Enlightenment And Romanticism In Eighteenth Century Prussia books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Enlightenment And Romanticism In Eighteenth Century Prussia versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Enlightenment And Romanticism In Eighteenth Century Prussia books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Enlightenment And Romanticism In Eighteenth Century Prussia books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it

an excellent resource for literature enthusiasts. Another popular platform for Enlightenment And Romanticism In Eighteenth Century Prussia books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Enlightenment And Romanticism In Eighteenth Century Prussia books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Enlightenment And Romanticism In Eighteenth Century Prussia books and manuals for download and embark on your journey of knowledge?

### **FAQs About Enlightenment And Romanticism In Eighteenth Century Prussia Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
