Enlightenment The Path Through The Jungle:

Enlightenment The Path Through The Jungle DENNIS WAITE, 2008-08-01 This book offers necessary help to sincere seekers who wish to expose the myths and defines the recent forms of Spirituality **Enlightenment** Dennis Waite, 2008 The clearest book that has ever been written on the subject of enlightenment it provides a detailed examination of the satsang phenomenon and its more extreme neo Advaita variant contrasting these approaches with the traditional methods passed down from teacher to disciple for over a thousand years What is enlightenment What is it not exposes the myths and defines this misused term once and for all *American Gurus* Arthur Versluis, 2014-04-01 By the early twenty first century a phenomenon that once was inconceivable had become nearly commonplace in American society the public spiritual teacher who neither belongs to nor is authorized by a major religious tradition From the Oprah Winfrey endorsed Eckhart Tolle to figures like Gangaji and Adhyashanti there are now countless spiritual teachers who claim and teach variants of instant or immediate enlightenment American Gurus tells the story of how this phenomenon emerged Through an examination of the broader literary and religious context of the subject Arthur Versluis shows that a characteristic feature of the Western esoteric tradition is the claim that every person can achieve spontaneous direct unmediated spiritual insight This claim was articulated with special clarity by the New England Transcendentalists Bronson Alcott and Ralph Waldo Emerson Versluis explores Transcendentalism Walt Whitman the Beat movement Timothy Leary and the New Age movement to shed light on the emergence of the contemporary American guru This insightful study is the first to show how Asian religions and Western mysticism converged to produce the phenomenon of spontaneously enlightened American gurus **Answers... to the Difficult Questions** Dennis Waite, 2020-03-27 All spiritual seekers encounter problems A question arises which appears to challenge the veracity of their chosen path If an answer is not found quickly there is a great danger that the particular teaching will be abandoned and another sought Dennis Waite draws on traditional Advaita teachings to answer all seeker related questions He first invited questions to his website in 2005 and this book collects questions and answers in a comprehensive volume for experienced and new spiritual seekers One answer often leads to a new worry and his website adavaita vision org continues to accept questions No question is too difficult for Advaita Vedanta and all answers are reasonable **SELF SEEKING** Dennis Waite, 2025-10-14 Separate the true teachers from the self seeking gurus **The Book of One** Dennis Waite, 2010-05-11 A comprehensive yet entertaining introduction to Advaita the non dual philosophy which provides a completely reasonable explanation for who we are and the nature of the universe There are many self help approaches promising enlightenment and happiness but most are illogical and lack any proven capability Advaita has a guru disciple tradition stretching back for several thousand years and can guarantee the sincere seeker a progressive path to self realization A 21st Century treatment of this ancient eastern philosophy this book addresses all of the issues that are covered by both traditional teachers from the lineage of Shankara and by modern satsang teaching and Direct Path methods

stemming from Ramana Maharshi and Krishna Menon Topics are explained in an accessible and readable manner using amusing quotations and stories along with an abundance of metaphors from a wide variety of sources Advaita Made Easy Dennis Waite,2012-07-27 Who are you What happens when you die Is there a God Is the universe created Advaita is a teaching with a tradition of thousands of years which provides totally reasonable answers to all such questions This essential introduction from the acclaimed author of numerous books on the subject will demonstrate why it is so successful The Secular Religion of Franklin Merrell-Wolff Dave Vliegenthart,2018-01-16 In The Secular Religion of Franklin Merrell Wolff An Intellectual History of Anti intellectualism in Modern America Dave Vliegenthart offers an account of the life and teachings of the modern American mystic Franklin Merrell Wolff 1887 1985 who combined secular and religious sources from eastern and western traditions in order to elaborate and legitimate his metaphysical claim to the realization of a transcendental reality beyond reason Using Merrell Wolff as a typical example of a modern western guru Vliegenthart investigates the larger sociological and historical context of the ongoing grand narrative that asserts a widespread anti intellectualism in modern American culture exploring developments in religious philosophical and psychological discourses in North America from 1800 until the present **The Mindful Path through Worry and Rumination** Sameet M. Kumar,2010-01-02 People who worry and ruminate put excessive focus on the past and the future a tendency which left unchecked can lead to mental health problems such as depression and generalized anxiety disorder The Mindful Path Through Worry and Rumination offers proven strategies to help readers find contentment in the present moment **Law, Hermeneutics and Rhetoric** Francis J. Mootz Iii,2016-04-22 Mootz offers an antidote to the fragmentation of contemporary legal theory with a collection of essays arguing that legal practice is a hermeneutical and rhetorical event that can best be understood and theorized in those terms This is not a modern insight that wipes away centuries of dogmatic confusion rather Mootz draws on insights as old as the Western tradition itself However the essays are not antiquarian or merely descriptive because hermeneutical and rhetorical philosophy have undergone important changes over the millennia To return to hermeneutics and rhetoric as touchstones for law is to embrace dynamic traditions that provide the resources for theorists who seek to foster persuasion and understanding as an antidote to the emerging global order and the trend toward bureaucratization in accordance with expert administration violent suppression or both **Turning the Wheel of Truth** Ajahn Sucitto,2010-04-27 Buddhist teachings like the eightfold path the four noble truths and karma pervade Buddhist literature but how often do we read what the Buddha himself had to say about these topics Here is an accessible look at the Buddha s First Discourse which contains the foundation for all further Buddhist teaching Ajahn Sucitto offers a new translation of this revolutionary teaching known as The Discourse That Sets Turning the Wheel of Truth He then walks us through the text offering engaging and practical point by point commentary that makes the Buddha s words come alive and reveals how the text s wisdom can inspire our own liberation **One Layman's Contemporary Theology** Michael S. K. Toh,2014-07-15 Siddhartha Hermann Hesse,2002

A moral allegory set in ancient India about one soul's quest for the ultimate answer to the enigma of man's role in this world. The hero Siddhartha undergoes a series of experiences to emerge in a state of peace and wisdom. The Dreambook of Skyler Dread Jason Murk, 2009-05. The Dreambook of Skyler Dread is a storybook tale set in India shortly after the death of Queen Victoria. Illustrated with vintage 1890s lithographs collaged with contemporary comicbook panels, this is the story of the alien conquest of the Earth. Skyler Dread is a mesmerist who tries to avert the Earth's destruction and he fails in the end. Because see it as one of those shoot em up monster kinematoscope movies, an alien menace attacks from outer space. Sure that's the plot. And there are nice special effects too. But it's a shoot em up monster kinematoscope movie set in the early Edwardian era in the scientific age of wonder and futility. Horses are still the primary mode of transportation, the internal combustion engine still isn't trusted. Our technology is no match for the alien technology. Face it, we lose. There are perhaps love stories, romances, but they don't last. Because how can they? The aliens win. The aliens attack with overwhelming technology. There's no hope for Skyler Dread or his sideburned scientific colleagues to withstand the aliens, no not even if they're members of the Indian Subcontinent Society of Amateur Scientists, men whose enthusiasms include theosophy, amateur theatricals, and flannel waistcoats. Scientists whose moustaches cover half their whole faces in the reigning style. No, and even with these moustaches, they lose. No, the odds are insurmountable, and the aliens win. Skyler Dread's experiments with dreams, mesmerism, his amber hookah full of potent hash, fails to save the day, even though they were humanity's last hope. *The Theosophist*, 1986. **A Body in the Yard** Lawrence Friedman, 2018-01-22. **Nirvana and Other Buddhist Felicities** Steven Collins, 1998-05-13. This book presents an answer to the question: what is nirvana? Part I distinguishes between systematic and narrative thought in the Pali texts of Theravada Buddhism in South and Southeast Asia, arguing that nirvana produces closure in both and setting nirvana in the wider category of Buddhist Felicities. Part II explores other Buddhist utopias, both eutopias (good places) and outopias (no places) and relates Buddhist utopianism to studies of European and American utopian writing. The book ends with a close reading of the Vessantara Jataka which highlights the conflict between the ascetic quest for closure and ultimate felicity and the ongoing demands of ordinary life and society. Steven Collins discusses these issues in relation to textuality, world history, and ideology in premodern civilizations, aiming to contribute to an alternate vision of Buddhist history which can hold both the inside and the outside of texts together. *The Tale of the Rabbit-Foot* Colin Stone, 2022-11-03. A brilliant classic novel. The Tale of the Rabbit Foot takes place in the jungle world of Tarsgorth. Two tribes prepare to battle for conquest. Heroic Vrimsoumph warrior Sounart must vanquish the evil Opsolaince, witch king Larnsdayle, in order to free Tarsgorth and ensure eternal peace. The elder reaper Lykhoot bequeaths him with a cosmically powered weapon, the rabbit foot. Training and using his magical abilities, Sounart becomes increasingly enlightened by shamanic energy. Along the way, he encounters a seer priestess, Lana Tyali. They will work together in an effort to save their people during the war of the Aegis. They learn of divine courage, hoping to be victorious in the tribal war, and

ensuring lasting peace However the witch king s diabolical magic must not be underestimated The tale is divided into three parts complete with definitive action and metaphysical insights into the Immortal realm The literary prose offers a fascinatingly intimate look into psychedelic culture and a way of life beyond the scope of the average imagination In a quest for peace the characters articulate their profound surreality whereby love and magic create a universe abound with potential Totally set apart unto itself The Tale of the Rabbit Foot will certainly entertain and hopefully also inspire readers to become adroit in a new echelon of communication and fantasy **The Indian National Bibliography** B. S. Kesavan,2011-07

Divining the Woman of Endor J. Kabamba Kiboko,2017-02-23 An examination of the language of divination in the Hebrew Bible particularly in 1 Samuel 28 3 25 the oft called Witch of Endor passage Kiboko contends that much of the vocabulary of divination in this passage and beyond has been mistranslated in authorized English and other translations used in Africa and in scholarly writings Kiboko argues that the woman of Endor is not a witch The woman of Endor is rather a diviner much like other ancient Near Eastern and modern African diviners She resists an inner biblical conquest theology and a monologic authoritarian view of divination to assist King Saul by various means including invoking the spirit of a departed person Samuel Kiboko carries out a Hebrew word study shaped by the theories of Mikhail M Bakhtin regarding the utterance heteroglossia and dialogism in order to understand the designative connotative emotive and associative meanings of the many divinatory terms in the Hebrew Bible She then examines 1 Samuel 28 and a number of prior translations thereof using the ideological framework of African feminist postcolonial biblical interpreters and translation theories to uncover the hidden ideology or transcript of these translations Finally using African contextual cultural hermeneutics and cross cultural translation theory Kiboko offers new English French and Kisanga translations of this passage that are both faithful to the original text and more appropriate to an inculturated liberation African Christian hermeneutic theology and praxis
