TRANSFORMATION CARDS

The 9 transformation cards, one for each Enneagram type, are designed for deep reflection, spiritual insight, and type-specific transformation activities. Each card has two sides: one for mental transformations and the other for emotional transformations.

Mental Transformations (Holy Idea and Fixation)

The Holy Idea for each type is the higher state of the Mental Center for each Enneagram type. It is the spiritual insight or higher belief system for each type, one that is aspirational, and also accessible when we engage in transformative inner work. The corresponding Fixation describes thought patterns that continuously play and repeat in our minds when we are in the lower state of the Mental Center. Reflect on both the Holy Idea and Fixation for your type.

Emotional Transformations (Virtue and Passion)

The Virtue for each type is the higher state of the Heart Center for each Enneagram type. It is the powerful emotional connection for each type - the deep spiritual heart - and is aspirational, yet also accessible when we engage in transformative inner work. The corresponding Passion describes emotional patterns that are both persistent and fuel our reactions when we are in the lower state of the Heart Center. Reflect on both the Virtue and Passion for your type.

It words on both sides of the cards

The 11 words on each side of the card for your type represent the higher state for your type. You can meditate on each word, reflect on how embodying that word would add to your life, or embody that word as you sit or move, allowing yourself the experience of being that word in a certain way.

Activities on both sides of the cards

These mental and emotional activities are designed to help you in the next moment that you are in the throes of a type-based mental or emotional reactivity that you really want to change. They not only calm you down, they are excellent opportunities for accelerated transformative movement.

③ MENTAL TRANSFORMATIONS

Holy Idea (Hope)

I wish that you can be valued for yourself and who you are rather than what you do or accomplish.

Fixation (Vainly)

Outright thinking about how to create an idealized image based on appearing to be successful.

Activity | When you recognize you are efforting and trying to impress others, stop! Remember a time when you truly believed in yourself, completely separate from your accomplishments. Stay with that memory, reliving what was occurring within you at that moment.

Holy hope • Holy low • Holy harmony

⑤ MENTAL TRANSFORMATIONS

Holy Idea (Omniscience)

Knowing that only through direct personal experience and full engagement can all things be known.

Fixation (Strategic)

A scarcity paradigm that leads to an insatiable thirst for knowing, a reluctance to share resources such as time, space, knowledge and personal information, and a need to strategize about how to control one's environment.

Activity | When you recognize you are thinking for or withholding information, distancing yourself from direct experience, or engaging in extended strategizing, stop! Remember a time when you recognized that true wisdom comes from complete engagement. Stay with that memory, reliving what was occurring within you at that moment.

Holy omniscience • Holy transparency

⑤ EMOTIONAL TRANSFORMATIONS

Virtue (Nonattachment)

The first-hand understanding that detachment from feelings, people and experience is not nonattachment and that you must fully engage in something before you can then become nonattached.

Passion (Avarice)

An intense desire to guard everything related to yourself such as time, information, physical and emotional privacy and resources.

Activity | When you recognize you are withholding anything from anyone, stop! Remember a time when you were fully sharing and fully present with others. Stay with that memory, reliving what was occurring within you at that moment.

Reflect on this...
There is a universal wisdom.

③ EMOTIONAL TRANSFORMATIONS

Virtue (Truthfulness)

Finding true self in acceptance through acknowledging both your successes and failures, realizing that your image is not your essence.

Passion (Deceit)

Finding you must always appear successful, hiding parts of yourself that do not conform to that image, and believing your image is the real you.

Activity | When you recognize you are not telling the complete truth to yourself or someone else, stop! Remember a time when you told the whole truth and completely accepted yourself as you are. Stay with that memory, reliving what was occurring within you at that moment.

Reflect on this...
There's a natural flow and order to everything.
