Enslaved To Saved The Metaphor Of Christ As Our Master:

Enslaved to Saved W. Reid Litchfield, 2015 Who is your master sin or the Savior This well researched book explores the cultural and political background of slavery during the time of Christ and what it implies for our modern day commitment to the Lord Thought provoking and insightful this book will strengthen your relationship with and faith in the Savior Slaves of Christ Robert Gadeken, 2025-05-29 No one in the first century could imagine a world without slavery Yet it was merely part of an entire social system of obligation in which no one was entirely free Responsibility was built into their world whether service to or benefit from those above them These relationships defined them Modern Christians have lost the sense of responsibility and obedience that is part of a relationship with Jesus Their obsession with freedom and independence threatens their relationship with Jesus They see slavery as the opposite of freedom but the early Christians saw slavery to Jesus as the only real freedom When Paul said Christians are slaves of Christ he said it with joy Moderns who take that phrase as a metaphor for commitment miss the point It is a definition It is a relationship that defines a person As Luther said a Christian is someone who has been purchased with the blood of Christ that I may be his own live under him and serve him When modern Christians recover the meaning of slave of Christ they too can say it with joy *To Save Sinners* Michael Riccardi, 2023-04-12 The atoning work of the Lord Jesus Christ on the cross stands as the very epicenter of Christianity the very heart of the gospel Because of this one does not stray far from the heart of the Christian faith when he asks For whom has Christ accomplished so great a salvation Answers to that question have historically fallen in two broad categories Either Jesus died for all people without exception or he died only for those whom the Father has chosen to save Recently a mediating view has arisen arguing that we should not choose between these options but that Jesus died with multiple intentions for all without exception and for the elect alone In this book Michael Riccardi offers a critical evaluation of the multiple intentions view from the perspective of classic particularism The book demonstrates that while the third way proposed is attractive at first blush beneath the surface it faces insurmountable biblical and theological problems including the redefinition of the nature of the atonement itself Riccardi demonstrates that particular redemption is the teaching of the text of Scripture against the objections of one of its strongest opponents **The Work of Christ** John S. Hammett, Charles L. Quarles, 2024-09-01 In *The Work of Christ* John S Hammett and Charles L Quarles examine Christ s service for his people especially his atoning work on the cross **The parables of the Kingdom: our Lord's parables simply told for children, by the author of 'Earth's many voices'.** Elizabeth M A.F. Saxby, 1879 A brief Examination of Scripture Testimony on ... Slavery, etc Thornton Stringfellow, 1850 **Ephesians** Bruce Bickel, Stan Jantz, 2003 Pound for pound verse for verse the book of Ephesians is one of the most profound powerful and practical books in the entire Bible This inviting little guide to the book of Ephesians gets straight to the heart of Paul s teaching on the believer s identity in Christ and provides straightforward explanations of the major themes of Ephesians detailed comments on the most important words and

phrases thought provoking open ended questions The up to date language and interactive style of Ephesians Finding Your Identity in Christ will help readers feel as if Ephesians were written just to them *God's Solution To Man's Problems* Apollo Kikule,2016-11-15 Death is real for all of us Just as faith and resurrection must be the reality and goal for true believers and not the fleeting things of the world The Sanhedrists the church leaders of the day in their religiosity crucified their own Saviour in like manner the Christianity of our day has traded God s glory for the vain things of earth All this has happened because man has not comprehended God s Word due to a Breaking up Scripture into individual choicest verses unto which men exercise their intellectual abilities b thus losing the spiritual meaning and sequence of each Chapter c resulting into the act of rationalizing on every verse thus allowing individual preachers to carve out individual territorial ground for the followers of the same taste instead of the One Church of God with each member filled with God s gift of the Spirit Here in the Epistle to the Romans we find God s solution to man s rebellious ways The spiritual content of the epistle is presented instead of the rationalistic approach of our day with its deceit and hypocrisy **Surprised by Peace** Frederick Grossman,2013-10-17 Shortly after being saved I was sitting on my porch enjoying the day Suddenly I felt an overwhelming feeling a special closeness with the God of Creation I tried to analyze this feeling and thought it must be a second work of grace I had heard about I called this experience divine unity As I spoke with mature believers I discovered they too had experienced this feeling it was called peace I had experienced times of peace but not this kind of peace This peace was supernatural I was later to learn this was Shalom or supernatural peace If there were no heaven this peace would be reward enough in and of itself It is my prayer that the readers of this book will come to faith believe in God and experience this divine peace **Jesus Christ Our Lord** C. Norman Kraus,2004-08-06 In response to readers comments this revised edition provides helpful clarifications charts and expanded notes and references Kraus in a theological description of Jesus Christ offers answers to questions of Jesus identity and the nature of the revelation salvation which came through him This anticipates his volume God Our Savior dealing with implications of Christ s revelation for other data of theology such as God humankind the Holy Spirit church and eschatology For many years the idea of vicarious suffering to atone for the sins of humanity has not been self evident in Western culture to say nothing of the cultures of Asia Western theologians have presupposed Roman categories of guilt and legal penalty as the framework for their explanations However this has been unsatisfactory in cultures where social tradition and shame are primary moral sanctions Observing that the biblical cultural context was more oriented to shame than to a legal concept of guilt Kraus has reinterpreted the meaning and efficacy of the cross as the means of God s salvation Such a reinterpretation requires that one also reevaluate the theological definition of Jesus person How one understands what he did for us is closely related to how one understands who he was His identity and role mutually impact each other Thus one must ask Who was this one who reconciled us to God by suffering the shame of our sin In answer Kraus finds concepts of self identity and self revelation most helpful Jesus the self revelation of God to us is

God giving himself to us That self revelation comes as a self giving and only in the form of a genuinely personal historical and human relationship In all of this the author intends to present an authentically biblical picture of Jesus but in the context of modern language and thought forms Behold the King Lora Mae Miller,2021-10-05 While at a conference at O R U Oral Roberts gave a sermon where he named Jesus in every book of the Bible Lora was fascinated at the concept At the prompting of the Holy Spirit she painted a portrait of Jesus for every book of the Bible Friends encouraged her to share some of the wonderful experiences with the Holy Spirit thus Behold the King became a reality Human Ros Clarke,2023-06-22 Being human is complicated Our bodies intellects and emotions are all God given gifts but we so often find them in varying states of disorder How then can we become the full bearers of God s image that we were made to be In response to this profound question Ros Clarke helpfully outlines what the Bible has to say about the nature of humanity Addressing our status as created beings our purpose in God s world our nature as body and soul and our fall away from God Human unpacks questions around the issues of identity sexuality and gender It then turns to Christ s example as the perfect human and considers Jesus teaching about each of us being loved valued and redeemed A teaching that remains foundational for all discussions around important topics like inclusivity disability and race Written with both humour and pastoral concern and including a study guide to aid personal reflection and group discussion this book will help you consider afresh what it means to be a human

A Dictionary of Christ and the Gospels James Hastings,2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church

Imagine Paul G. Roger Greene, 2024-10-17 Can the real Paul the apostle live again in a postmodern technological age Paul's ministry stood at the very headwaters of the Christian gospel surrounding Jesus of Nazareth His letters are the earliest documents contained in the New Testament The current work calls upon the reader to actively engage Paul in his context rather than to affirm the assumed theological Paul of later Christian orthodoxy The reader is thus invited to walk with a more real Paul as he may be imagined from the sources we have to think Paul's thoughts with him through his letters and to more fully experience the gospel of God that Paul knew and proclaimed Paul was a man in Christ directly called by God to announce the gospel of God to both Jew and gentile in the midst of a world ruled by Rome He did so through two major campaigns rather than three missionary journeys He wrote pastoral letters to real first century churches The real Paul did not write theology but he rather proclaimed a gospel to a world in search of a soul What Is Redemption: How Christ's Suffering Saves Us Philippe de la Trinite, 2021-05-07 For God so loved the world that he gave his only begotten Son that whoever believes in him should not perish but have eternal life John 3:16 The Crucifixion of Jesus Christ is central to the Catholic Faith But how does the murder of the eternal Son of God by human beings lead to their redemption not further damnation During the sixteenth century as Protestants rejected Catholic doctrine a new answer to this question was proposed on the Cross God the Father subjected His divine Son to the wrath and retribution sinful humanity justly deserved Having punished His Son in the place of sinners and having exhausted His pent up anger the Father could then turn to humanity in love and mercy This theory known as penal substitutionary atonement caught on in many Catholic circles and is often the popular understanding of the Cross Thank God for What Is Redemption by Philippe de la Trinite a classic now back in print This book shows the many fallacies in the penal substitutionary theory of redemption But that's not all Trinite replaces this mistaken theory with the true Catholic doctrine In dialogue with the saints and doctors of the Church chiefly St Thomas Aquinas he shows why St John in his Gospel said it was for love not for wrath that God sent His only begotten Son Carefully distinguishing the key concepts in the doctrine of redemption he explains the difference between saying that Christ made satisfaction for the sins of the world and saying that Christ suffered the punishment due to every sin The Cross is not an oppression but an exaltation a triumph of divine love **Gospel Herald**, 1928 Encyclopedia of Emancipation and Abolition in the Transatlantic World Junius P. Rodriguez, 2015-03-26 The struggle to abolish slavery is one of the grandest quests and central themes of modern history These movements for freedom have taken many forms from individual escapes violent rebellions and official proclamations to mass organizations decisive social actions and major wars Every emancipation movement whether in Europe Africa or the Americas has profoundly transformed the country and society in which it existed This unique A-Z encyclopedia examines every effort to end slavery in the United States and the transatlantic world It focuses on massive broad based movements as well as specific incidents events and developments and pulls together in one place information previously available only in a wide variety of sources While it centers on the United States the set also includes

authoritative accounts of emancipation and abolition in Europe Africa the Caribbean and Latin America The Encyclopedia of Emancipation and Abolition provides definitive coverage of one of the most significant experiences in human history It features primary source documents maps illustrations cross references a comprehensive chronology and bibliography and specialized indexes in each volume and covers a wide range of individuals and the major themes and ideas that motivated them to confront and abolish slavery

The Letters of Jude and Second Peter: An Introduction and Study Guide George Aichele, 2017-01-12 This Guide surveys the more important historical socio cultural theological and literary factors we must grapple with in understanding the two letters of Jude and Second Peter between which there are very strong similarities It appears that the letter of Jude was almost entirely plagiarized by the letter of Second Peter George Aichele's main approach is the method of semiotics examining signifying mechanisms in each of the texts both independently and when they are read together In both of the letters Jesus Christ is called the master with a Greek word that means slave owner and the authors of both books refer to themselves and other Christians as the slaves of Christ Furthermore both writings report situations of paranoid fear within Christian communities of their time as they picture heretical infiltrators who threaten to pervert and perhaps even destroy the community In addition to this in an adventurous excursion the letter of Jude is read intertextually with the classic science fiction horror film *Invasion of the Body Snatchers* Siegel 1956 in order to explore the dynamics of paranoia

In the Shadow of the Cross: The Deeper Meaning of Calvary Ray Pritchard, The fallen cross stands as a symbol for the spiritual condition of the church of Jesus Christ in the early days of the twenty first century In many places and many churches the cross has fallen to the ground Instead of boasting in the cross we have neglected it substituting in its place religious activity and therapeutic language designed to help us feel better about ourselves And yet when the story is truly told it must be said that Christianity is supremely the religion of the cross At the center of our faith a dying man hangs suspended between heaven and earth Pastor Ray Pritchard takes a fresh look at the cross and the God man on it and asks who is He why is He there what are the words he is speaking What did the cross mean to God What did the cross mean to Satan What does the cross mean to you today Pastor Ray Pritchard asks these spiritually provocative questions in what will prove to be a spiritual tonic for your soul Center your world around the anchor of our faith the cross Discover the atonement found where grace and wrath meet Linger at the foot of the cross
