Dethroning Jesus Exposing Popular Cultures Quest To Unseat The Biblical Christ:

Dethroning Jesus Darrell L. Bock, Daniel B. Wallace, 2010-05-17 New York Times bestselling author Dr Darrell Bock teams up with Dr Daniel Wallace to help you separate fact from fiction among constant attacks on Christianity from popular culture and bogus scholars There is a quest going on to reduce Jesus to a mythic legend or to nothing more than a mere man Scholars such as Elaine Pagels and James Tabor are using recent discoveries like the Gospel of Judas and the Gospel of Thomas to argue that the Christ of Christianity is a contrived figure and that a different Christ one human and not divine is the true Christ Both research professors Bock and Wallace set out a vigorous defense of Christianity against a popular trend that they dub Jesusanity where Christ was simply a human teacher In their trademark easy to understand style the authors take on attempts to redefine Jesus in a convincing way that will help you understand that the orthodox understanding of Christ and his divinity is as trustworthy and sure as it ever was This book Refutes the six main claims that represent a large part of skepticism about Jesus today Provides credible answers to attacks on the traditional texts Defends against the interpretations of bogus scholars and the arguments of biased scholars Constructs a positive case for the Jesus of faith If you re exhausted by the constant attempts to dethrone Jesus renew the security of your knowledge of who Jesus really is the Son of God

The Jesus Who Never Lived H. Wayne House, 2008 Jesus asked no more profound question than this one that He posed to His disciples He asks that same question of you today But how can anyone know for certain who Jesus is when confronted with so many different views of Him Is He the good but powerless Jesus of world religions the less than fully God Jesus of the cults of Christianity the mystical and even sensual Jesus of Hollywood and popular media

Entering the Fray T. Michael W. Halcomb, 2012-08-02 In modern times the relationship between the church and academy has been strained and tension filled Mainstream church culture has often been skeptical of Bible scholars depicting them as self serving intellectuals trying to out think God by devising new and controversial interpretations Just as well academics have often leveled harsh critiques against church culture painting pastors and laity as anti intellectual pseudo spiritualists Entering the Fray argues that in spite of the wide gap between the academic and ecclesiastical worlds the modern church should be aware of the key discussions taking place among biblical scholars To be sure the average churchgoer has not been tuned in to scholarly conversations concerning matters such as the Messianic Secret Q the Historical Jesus the pistis Christou debate and related topics In fact they may have purposefully tuned out Some however are simply unaware that any such dialogue has taken place and beyond the

internet may not have the first clue as to how to explore the details This primer seeks to function as that first clue by helping congregants pastors and students of the Bible enter into the fray of scholarly discussions that over the last few hundred years have shaped both the academy and church The companion website can be found at <http://michaelhalcomb.com/enteringthefray/home.html>

atheists Christian philosopher Peter S Williams takes us on an intellectual journey through Lewis conversion in conversation with today s anti theists This book shows the breadth depth and durability of Lewis s Christian apologetics Michael Ward chaplain at St Peter s College Oxford [The Making of the New Testament](#) Arthur G. Patzia,2025-11-04 The story of the making of the New Testament is one in which scrolls bumped across cobbled Roman roads and pitched through rolling Mediterranean seas finally finding their destinations in stuffy dimly lit Christian house churches in Corinth or Colossae There they were read aloud and reread handled and copied forwarded and collected studied and treasured And eventually they were brought together to make up our New Testament This revised and expanded edition of The Making of the New Testament is a textbook introduction to the origin collection copying and canonizing of the New Testament documents Like shrewd detectives reading subtle whispers of evidence biblical scholars have studied the trail of clues and pieced together the story of these books Arthur Patzia tells the story answering our many questions How were books and documents produced in the first century What motivated the early Christians to commit teaching and narrative and vision to papyrus How were the stories and sayings of Jesus circulated handed down and shaped into Gospels What do we know about ancient letter writing secretaries and copy shops Why were four Gospels included instead of just one How were Paul s letters sent here and there gathered into a single collection Who decided and by what criteria which documents would be included in the New Testament Explore these questions and more about these Scriptures whose everyday gritty story rings true to their extraordinary message the palpable mystery of the Word made flesh **Thomas and the Gospels** Mark

Goodacre,2012-09-24 The Gospel of Thomas found in 1945 has been described as without question the most significant Christian book discovered in modern times Often Thomas is seen as a special independent witness to the earliest phase of Christianity and as evidence for the now popular view that this earliest phase was a dynamic time of great variety and diversity In contrast Mark Goodacre makes the case that instead of being an early independent source Thomas actually draws on the Synoptic Gospels as source material not to provide a clear narrative but to assemble an enigmatic collection of mysterious pithy sayings to unnerve and affect the reader Goodacre supports his argument with illuminating analyses and careful comparisons of Thomas with Matthew and Luke Watch the trailer **Why I Trust the Bible** William D.

Mounce,2021-09-14 A Clear Guide to Help Readers Understand Why They Can Trust the Bible We are often told we can no longer assume that the Bible is trustworthy From social media memes to popular scholarship so many attacks have been launched on the believability of Scripture that many have serious questions about the Bible such as Did Jesus actually live Did the biblical writers invent their message How can we trust the gospels since they were written so long after Jesus lived How can we believe a Bible that is full of internal contradictions with itself and external contradictions with science Aren t the biblical manuscripts we have just copies of copies that are so corrupted they don t represent what the original authors wrote Why should we believe the books that are in the Bible since many good ones were left out like the Gospel of Thomas Why

trust the Bible when there are so many contradictory translations of it If you find yourself unable to answer questions such as these but wanting to Why I Trust the Bible by eminent Bible scholar and translator William Mounce is for you These questions and more are discussed and answered in a reasoned definitive and winsome way The truth is that the Bible is better attested and more defensible today than it ever has been Questions about the Bible are perhaps the most significant challenge confronting Christian faith today but they can be answered well and in a way which will lead to a deeper appreciation for the truth and ongoing relevance of the Bible The Gospel According to Christ Mark A. Stelter, 2011-11-14 Christianity is in crisis We live in a time when millions of people profoundly misunderstand the message of the Gospel They believe that being a Christian means little more than being a nice person They view Jesus as a wise moral teacher who showed us how to live better lives and they conclude that the love of humanity is our greatest cause and its progress our primary purpose Whatever else may be said of this view of Christianity it is certainly not what Jesus taught It is an attempt to replace the concepts of sin redemption and salvation with the more socially acceptable virtues of tolerance compassion and social progress It elevates humanity and the world above God and his kingdom and reduces Jesus to a mere moral philosopher But who did Jesus say he was What was the essential message of Christ The Gospel According to Christ answers those questions by examining the words of Jesus in their context and in their entirety The answers will be shocking to many Christians **Think Christianly** Jonathan Morrow, 2011-11-01 Think Christianly is about seizing the opportunities we have every day to speak the life Jesus offers into our culture Tragically many such opportunities pass us by unclaimed either because we don't notice them or we have not prepared ourselves to enter into them And those around us seem to grow increasingly unwilling to hear anything the church has to say Jonathan Morrow helps church leaders envision and implement ways for their congregations to think Christianly about contemporary questions and to speak in informed engaging ways Morrow explores many of the important issues that Christians often hear raised with regard to faith questions about who Jesus was the good and bad of religion pain and evil in the world the reliability of the Bible sexuality and intimate relationships and hope for change among others The life and faith issues that Think Christianly addresses lead to cultural moments where Christianity and contemporary culture intersect This book will help churches take vital steps toward cultivating compassion and competence in speaking faithfully to a questioning world **Dangers to the Faith** Al Kresta, 2013-05-28 A storm has been brewing in society and its treatment views and activities toward the Catholic Faith Some are subtle others are more brazen New Age thought questionable spirituality creedless Christianity relativism scientific skepticism the triumph of technology and even the self-styled spirituality of Oprah Winfrey All these masquerade as truth making it tough for the average Catholic to know how to resist let alone respond No one is more qualified to pull back the curtain on the challenges the Catholic Church faces today than Al Kresta popular Catholic author speaker and radio show host A revert to Catholicism Kresta is well known for his rigorous examination of topics in art religion academia and business

Dangers to the Faith Recognizing Catholicism's 21st Century Opponents is the perfect springboard for discussing the new world in which the Catholic Church exists today Learn how to better carry out the missionary mandate of the Church The question isn't whether you will be a witness to Christ but whether you will be an effective witness **Jesus** Rose Publishing, Centers For Apologetics Research, 2021-04-18 How is Jesus different from all other religious leaders in the world Part of the full color Rose Bible Basics series Jesus provides you with a solid introduction to the life of Jesus his teachings and the significance of his death and resurrection Each chapter of this book will help you discover the life changing impact of Jesus of Nazareth Chapters include the following Who is Jesus This chapter helps to explain why Jesus came what He taught and did and why He had to die It includes the life of Jesus in chart form the beliefs about Jesus chart and a Christ's deity chart Jesus Fact or Fiction Topics in this section include Was Jesus of Nazareth a mythical figure Where was Jesus during the Lost Years Have archaeologists really found Jesus bones The Gospels Side by Side This section includes a chart exploring the harmony of the gospels regarding the life of Jesus The Beatitudes This section reveals why the much beloved Beatitudes of Jesus sermon on the mount are still relevant wherever there is suffering injustice and a need for God today They bring comfort to a weary heart and joy in times of trial This chapter will explain what the beatitudes are and how they relate to believers today The Lord's Prayer Names of Jesus This section gives 50 names of Jesus and the meaning of each name with its Bible reference This section also compares Jesus to Adam Noah Abraham Melchizedek Joseph Moses Joshua Samuel David Elijah and Elisha and Zerubbabel as many of these men foreshadowed the coming of the true messiah Christ in the Old Testament This popular section includes a chart that selects 13 people in the Old Testament who foreshadowed Jesus Christ The Christ in the Old Testament section also provides 20 Biblical prophecies fulfilled by Jesus in His first coming **The Debaters of This Age** Steven H Propp, 2019-02-05 It is June 2018 as an unusual group of scholars professors lecturers and students gather in a California hotel They are all attendees of an Apologetics conference intended to join qualified representatives of Christian Deist and Atheist thought for a two week no holds barred debate and discussion of their respective positions that will ultimately be included in a book published after the conference Evangelical Christianity is represented by advocates of Evidentialist and Presuppositionalist approaches to Apologetics Catholicism liberal Christianity and Deism are also well supported The Atheist perspective is advocated by a polemical author and a college professor notorious for attacking the views of his Christian students As the participants argue over controversial issues such as cosmology evolution The Bible historical evidence for Jesus the resurrection biblical prophecies and the problem of evil intellectual fireworks result But what will result when such a volatile and eclectic group is placed face to face for more than two weeks The Debaters of this Age is the tale of what happens inside a California hotel in 2018 when a group of intellectuals gather to vigorously discuss the religious issues of our time
