Betting Picks

This should be an interesting tie between the 2014 Polish Cup winners (Zawisza) and 2015 (Legia). Hosts are favourites of this encounter, however there can be some big chances in the squad so I think that there shouldnt be too many goals in this match. Pick: under 3.25 goals @1.60

Stand Up René Banglesdorf, 2019-01-01 Stand Up addresses the growing need for women to enter the narrative of how American culture is presently being shaped and leave their mark on a world screaming for relevance, excellence, and truth. Divisiveness and double standards have overrun our culture. If everyone stands up and models decency, courage, and good manners, communities and families will flourish. Stand Up is a battle cry for women to take a posture of readiness and action, determine their purpose, plan for successes, and overcome the loneliness that threatens this silent majority. Ren Banglesdorf, an entrepreneur, encourages women to exemplify good behavior in the areas of temptation, forgiveness, and hypocrisy—three areas that threaten especially Christian women's credibility in a searching world. Stand Up explains how women who want to leave a legacy can repurpose their fears, recover from failures, get what they want out of life, and press on to fulfill their destiny. The unique perspective from a female executive in a 99 percent male-dominated role who spent many of her career development years as a stay-at-home mom compels women of all ages to believe the best can be ahead of them if they indeed stand up, stand out, and stand firm in their beliefs.
