Hidden Strengths Thuy Sindell, Milo Sindell, 2015-05-18 For workers who are interested in developing skills to further their career goals an eye opening look at how we use and develop our skills IT Business Edge Books like StrengthsFinder 2.0 have helped leaders discover their strengths but they stop there The Sindells argue that focusing only on your best abilities neglects a vital development opportunity They show how to identify hidden strengths that can be quickly elevated into full strengths with attention and focus Working mainly on your strengths can ultimately make you weaker they argue you need to continually add new skills not rely on what you're already good at And while most people assume that means they should try to turn their weaknesses into usable skills the Sindells say that it takes too much time and effort the ROI just isn't there It's in the neglected middle skills neither strengths nor weaknesses that the most potent development opportunities lie They're close enough to being strengths that putting your energy there can offer a powerful payoff Using assessments exercises and case studies the Sindells help you identify your most promising middle skills and create a plan to turn them into strengths In today's work environment not growing and stretching yourself translates into lack of innovation stagnation and obsolescence Relying upon strengths is like relying upon training wheels at a certain point you need to take them off in order to improve and grow Tackles the question of why it's so tempting to focus on extremes our strengths and weaknesses while overlooking our capacity in the middle our hidden strengths Bill McLawhon Head of Leadership Development Facebook

Hidden Strengths, 2017 *Hidden Strengths* Milo Sindell, Thuy Sindell, 2015-05-18 Build a Foundation for Continual Growth In today's turbulent world you need to continually develop new skills to remain agile and adaptive otherwise your strengths will become crutches But contrary to what many people believe the best way to develop new skills isn't working on your weaknesses it's identifying and elevating the underdeveloped abilities that lie between your weaknesses and your strengths Books like StrengthsFinder 2.0 have helped leaders build on what they're best at but they stop there If you only go that far you're missing a huge opportunity for professional growth Leading Silicon Valley consultants Thuy and Milo Sindell argue that relying exclusively on your top abilities can actually hold you back it's critical that you expand your repertoire of skills The most effective way to do that is find your hidden strengths midlevel skills that can quickly be elevated into learned strengths with attention and focus This book shows you how Too many people waste their time working on their weaknesses say the Sindells Although focusing on shoring up weaknesses on the surface makes sense they've found that it takes too much time and effort the ROI just isn't there The neglected skills in the middle neither strengths nor weaknesses are where the most potent development opportunities lie They're close enough to being strengths that putting your energy there can offer a fast and powerful payoff Use the Sindells free online Hidden Strengths Assessment along with the exercises and case studies in the book you'll be able to identify your most promising hidden strengths and create a plan to turn them into major assets In today's work environment not growing and stretching yourself translates into lack of innovation stagnation and

obsolescence You can't keep leaning on the things you're naturally good at or your strengths will become training wheels But with the Sindells help you'll continually develop new skills that will keep you riding at the front of the pack *Hidden Strengths* Thuy Sindell, Milo Sindell, 2015-05-18 Books like StrengthsFinder 2.0 have helped leaders discover their strengths but they stop there The Sindells argue that focusing only on your best abilities neglects a vital development opportunity They show how to identify hidden strengths that can be quickly elevated into full strengths with attention and focus Working mainly on your strengths *Popular Mechanics*, 2000-01 Popular Mechanics inspires, instructs and influences readers to help them master the modern world Whether it's practical DIY home improvement tips, gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle **Working Mother**, 2003-10 The magazine that helps career moms balance their personal and professional lives *The Asymmetrical Leader* Steve Knox, 2016-07-01 The Asymmetrical Leader is about the heart of leadership and the value created when you understand your unique calling in life by refining and leveraging your giftedness This book is about the art of leadership making a real difference and how to create a better future in tangible and relevant ways This isn't a book about management or marketing It's for anyone who cares a lot about influencing and impacting others in powerful and remarkable ways

Summary of Strengths Based Leadership Instaread, 2016-09-24 Summary of Strengths Based Leadership by Tom Rath and Barry Conchie Includes Analysis Preview Strengths Based Leadership by Tom Rath and Barry Conchie introduces readers to the Gallup designed survey that identifies a person's unique leadership strengths Many leaders try to improve their skills by emulating other leaders but in reality the most capable leaders are the ones who use their existing talents to provide what teams need The best way to discover the ideal traits of good leaders is to ask followers what traits have characterized their most positive leaders When asked most mentioned the same factors as necessary for them to want to follow a leader According to the survey those factors are trust, compassion, stability and hope Different types of leaders have different ways of filling those needs The 34 themes that the StrengthsFinder online test identifies range alphabetically from Achiever to Woo and can be grouped into four categories Executing themes include Focus and Responsibility and revolve around a leader's ability PLEASE NOTE This is key takeaways and analysis of the book and NOT the original book Inside this Instaread Summary of Strengths Based Leadership by Tom Rath and Barry Conchie Includes Analysis Overview of the Book Important People Key Takeaways Analysis of Key Takeaways About the Author With Instaread you can get the key takeaways summary and analysis of a book in 15 minutes We read every chapter identify the key takeaways and analyze them for your convenience Visit our website at instaread.co *Remarkable Leadership* Kevin Eikenberry, 2007-08-17 Remarkable Leadership is a practical handbook written for anyone who wants to hone the skills they need to become an outstanding leader In this groundbreaking book Kevin Eikenberry outlines a framework and a mechanism for both learning new things and applying current knowledge in a thoughtful and practical way Eikenberry provides a guide through the most important

Unleashing Your Inner Leader Vickie Bevenour, 2015-01-26 Leverage your brand of leadership for maximum results. *Unleashing Your Inner Leader: Executive Coach Tells All* presents the premise that there is a powerful leader inside each of us. The focus is on real life exercises and case studies to help you discover, release and leverage your inner leader to reach heights in your career that you never thought possible. The book discusses the individual's impact on the organization and which professional behaviors most frequently demonstrate leadership competencies. Conduct a forensic intervention to find out what is going awry in your professional development or what has gone wrong in the past and craft a strategy to overcome obstacles, gain unmistakable clarity about yourself and focus your abilities to match organizational needs. Great leaders start their assessments from the inside out and their passion is so strong that it permeates their organizations and builds the culture regardless of rank. They inspire their teams by sharing the spotlight and encouraging coworkers to excel, operating with clean authenticity to maximize results. *Unleashing Your Inner Leader* helps you recognize where you fall on the leadership spectrum and provides practical advice for shaping your brand of leadership to capitalize on your authentic capability and potential. You'll find expert insight as an executive business coach guides you to evaluate your strengths, values and personal impact to craft a vision for the world around you. Discover what's holding you back from maximum effectiveness. Tap into your undiscovered potential and inspire your team to excellence. Recognize what it will take to move you and your organization to the next level. It is often very difficult for leaders to see their own greatness, unlock it and use it in a practical way to get results. Be the spark that ignites your team and steer your own development toward becoming an impactful leader with *Unleashing Your Inner Leader*.

The Versatile Leader Bob Kaplan, Rob Kaiser, 2006-04-14 In this groundbreaking new book, Bob Kaplan and Rob Kaiser introduce an innovative approach to identifying and correcting lopsidedness in leaders. You will discover how to make optimal use of your strengths and avoid getting trapped in a one-dimensional mindset that results in too much of a good thing. Based on twenty years of research and extensive work with senior leaders, *The Versatile Leader* is packed with illustrative cases and practical applications. The book is equally useful for self-improvement and for coaching other managers.
