are extremely important to God it is one of the many ways in which He communicates with His people However if we are not listening we will not hear Him speak which is why we must be in tune with His Spirit at all times The body of Christ has a limited understanding of prophetic dream encounters the assumption is that they are reserved for a hand picked group of gifted individuals but this is far from the truth Joel 2 28 states And it shall come to pass afterward that I will pour out my spirit upon all flesh and your sons and daughters shall prophesy your old men shall dream dreams your young men shall see visions Notice that the verse says ALL and not SOME this word came to pass on the day of Pentecost and it continues to be established today Dreaming is a language of the Spirit that is now being resurrected in this generation The Lord is reawakening His people to the power of dreams in their lives He is reuniting us to a critical part of our spiritual heritage that has been neglected God wants to reignite your ability to communicate on this spiritual dimension He wants you to become fluent in the dream language of heaven *Prophetic Dreams and Visions Handbook* Bernard Boulton, 2021-08-20 Within your dreams and visions are your future and your destiny New beginnings and new seasons are revealed in your dreams God's will and His incredible plans are seen in the dreams you dream while you sleep at night Every dream and vision has the potential to become reality in your life You are in the school of life in your dreams Some of the most incredible lessons you will learn about life are received in your dreams The wisdom of heaven is unlocked in your dreams and then your learned lessons are sealed in your mind until the time that they are revealed Dreams and visions reveal your creative identity In them you see your talents abilities and gifts With the interpretation of your dreams and visions you can create innovate and change your life as well as the lives of others Allow the mysteries of heaven to be known to you through dream and visions interpretation Within this handbook of prophetic dreams and visions I share with you some of the dreams I have interpreted and the interpretation that were I shared with the dreamer I have been interpreting dreams and visions as well as teaching others how to interpret dreams and visions since 2012 ministering with this gift to help many discover their destiny and direction for life
