**God Without Measure: Working Papers in Christian Theology** John Webster, 2015-11-19 Volume 1 This volume treats the themes of God's inner being and God's outer acts After an overall account of the relations between God in himself and the economy of God's external works there are studies of the divine aseity and of theology of the eternal Son These are followed by a set of essays on creation out of nothing the relation between God and God's creatures the nature of providence the relation of soteriology and the doctrine of God and the place of teaching about justification in Christian theology *God without Parts* James E. Dolezal, 2011-11-09 The doctrine of divine simplicity has long played a crucial role in Western Christianity's understanding of God It claimed that by denying that God is composed of parts Christians are able to account for his absolute self-sufficiency and his ultimate sufficiency as the absolute Creator of the world If God were a composite being then something other than the Godhead itself would be required to explain or account for God If this were the case then God would not be most absolute and would not be able to adequately know or account for himself without reference to something other than himself This book develops these arguments by examining the implications of divine simplicity for God's existence attributes knowledge and will Along the way there is extensive interaction with older writers such as Thomas Aquinas and the Reformed scholastics as well as more recent philosophers and theologians An attempt is made to answer some of the currently popular criticisms of divine simplicity and to reassert the vital importance of continuing to confess that God is without parts even in the modern philosophical theological milieu **The Attributes of God Volume 1** A. W. Tozer, 2007-02-14 The most important question For A. W. Tozer no question is more important than What is God like The desire to know God consumed his entire life and ministry That's why those who read him come to know God more intimately Originally preached as sermons at Southside Alliance Church in Chicago this first volume of *The Attributes of God* examines ten attributes of God It also includes a study guide for an in-depth look at each attribute Infinite Immense Good Just Merciful Gracious Omnipresent Immanent Holy Perfect Steeped in Scripture and filled with the Spirit Tozer preached with striking clarity and power The sense of his sermons comes through on every page bringing the Word of God to bear upon you If a sermon can be compared to light then A. W. Tozer released a laser beam from the pulpit a beam that penetrated the heart Warren Wiersbe former pastor of The Moody Church **The Divine Secret of Nothing** Vincent Morales, 2010 A man shares his synthesis of ancient and quasi-empirical thinking that helped him to become more open to receive the grace that he needed to conquer the passions of the flesh to return to God what belongs to Him The man utilizes scriptural verses the wisdom of saints and philosophers and insightful illustrations to empower and encourage the reader in the good fight to conquer the passions of self for the reward that God gives to a person for conquering the passions and returning what belongs to Him is nothing less than as St. Teresa of Avila said the reward of Himself This book might be difficult for some people to read due to its controversial content Nevertheless it is an illuminating and thought-provoking read for people who

want to know God as Complete Goodness as well as the man's revelatory thoughts on the Bible the devil the fallen angels creation and the afterlife **The Knowledge of God, Its Meaning and Its Power** Alfred Taylor Schofield, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1905 edition Excerpt Compare here 1 Kings x 5 the Sittling of his Solomon's servants To be saved by Christ Jesus to believe in Christ Jesus is much but to be in Christ Jesus what can it mean Surely it is the expression of the greatest nearness to God of which language is capable The whole sentence perhaps may be paraphrased Placed in a condition of perfect rest safety and enjoyment so near God as to know Him not as His far off subjects may but as the sons of His house the members of His family The man who is in this position and knows it is a delightful person to meet he is pleasant in manner he is not tired or hurried or depressed or murmuring He is seated at home in his own sphere and enjoying it Hence with every want supplied in touch with all love and all wisdom he is naturally utterly unselfish no praise to him and is full of strength and courage to fight the good fight to finish his course and to keep the faith the warfare the walk the witness of the Christian man 2 Tim iv 7 But the secret of it all the source of his strength and untiring zeal is found in his being seated together in the heavenly places in Christ Jesus No murmur is ever heard here SSnnursin heavenly no doubts are possible here no dis p aces cords of earth's purblind reasonings The eye is opened and the ears and the tongue has learned to speak the language of Heaven so that it calls bitter sweet and pain joy and all ill good so it be His sweet will Such then is the twofold life of God's child child at home now with God in Christ in Heavenly Places in perfect happiness while fighting the battles of the Lord or standing at His door and waiting or treading a lonely path across a wilderness just as it pleases Him So far we God and Myself; an Inquiry Into the True Religion Martin Jerome Scott, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1917 edition Excerpt CHAPTER II THE TRINITY II HE Trinity is a wonderful mystery No one understands it The most learned theologian the holiest Pope the greatest saint all are as mystified by it as the child of seven It is one of the things which we shall know only when we see God face to face If God saw fit to reveal His nature to us without explaining it that is His condescension Anything we may know about the marvellous Creator is a favor Of course from the universe we gain a certain knowledge of Him We know He is infinitely Wise and Powerful But about His person we can know nothing of ourselves Now in the mystery of the Trinity He tells us something about His personality He says it is three fold Mark He does not say that there are three Gods in one God nor three Persons in one Person That would be a contradiction and our reason tells us that contradictions are not true God would not tell us something which the reason He gave us should be obliged to reject What then does He say in the revelation of the Trinity He informs us that in the one Being God there are three Persons He calls these three Persons the Father Son and Holy Ghost Not till we get to heaven shall we know any more than that If we reason from now to doomsday we shall not

get any nearer to an explanation and simply because God said that much and no more Theologians have written thousands of volumes in analyzing and inquiring into the matter but merely as speculation just as we speculate about planetary motion and the number of the stars and the spots on the moon Only there is some chance of learning something about these things none of learning anything further about the Trinity Jesus Christ said The Father and I are one One what Not one person *God of All Things* Andrew Wilson,2021-03-02 Abstract theology is overrated for God can be found in even the most ordinary of things Jesus used things like a lily sparrow and sheep to teach about the kingdom of God And in the Old Testament God repeatedly describes himself and his saving work in relation to physical things such as a rock horn or eagle In *God of All Things* pastor and author Andrew Wilson invites you to rediscover God in this way too through ordinary everyday things He explores the idea of a material world and presents a variety of created marvels that reveal the gospel in everyday life and fuel worship and joy in God marvels like Dust the image of God Horns the salvation of God Donkeys the peace of God Water the life of God Viruses the problem of God Cities the kingdom of God *God of All Things* will leave you with a deeper understanding of Scripture the world you live in and the God who made it all *Knowing the Unknowable God* James R. Lucas,2010-05-19 Meet the God Who Is Greater Than Your Biggest Questions The Bible never shies away from seeming contradictions We are told both to resist our enemies and to love them and that our all knowing God can sometimes forget Unable to reconcile such biblical paradoxes some people abandon Christianity while others pretend that the seeming contradictions don't exist preferring to believe in an uncomplicated easy to comprehend God Yet countless others are hungry for new insight into the God behind the Bible's mysterious paradoxes Responding to this spiritual hunger James Lucas delves into the mysteries of Scripture demonstrating that biblical contradictions are actually exquisite paradoxes that enlarge our understanding of God With this book as your guide you can embrace the paradoxes of Scripture and pursue honest answers to your hardest questions The study of biblical paradox leads to greater devotion to the majestic God who makes himself known even while he surpasses human understanding Today you can begin *Knowing the Unknowable God* **The Logic of God** Ravi Zacharias,2019 Wondering if the Bible still matters or whether God is truly loving and personal We all have these questions and apologist Ravi Zacharias has the answers in his latest release *The Logic of God* he offers 52 profound readings that explain how and why Christianity the Bible and God are still relevant essential and life altering **Be Still & Know That I Am God** Dr. Michael Alton II,2022-11-03 *Be Still Know That I Am God* was the name spoken to Dr Alton by our father God when he was praying and asking what title to give his book Certain situations in life renders one helpless and unable to fight for themselves These are the times when one has to completely let go and let God work things out It takes total trust in our father God in heaven that it is his will and not ours whatever the outcome God's word tells us not to worry about anything as it will not add a single day to our life God tells us to pray without ceasing and give thanks for all circumstances in life even the tough ones God also tells us to consider it a blessing to have trials as it produces endurance We are to remain

steadfast under trial and when we have stood the test we shall receive the crown of life which God has promised to those who love him No matter what you are facing in life give it to God relax and know he is truly in control **NO GOD?**
