

An aerial photograph of an ancient Egyptian archaeological site. In the foreground and middle ground, there are numerous small, rectangular structures, likely tombs or houses, arranged in a grid-like pattern. The structures are made of mud-brick and are mostly in ruins. In the background, a wide river, likely the Nile, flows through the landscape. The sky is a hazy, light blue. The overall scene depicts a well-preserved ancient urban or necropolis.

The Archaeology of Urbanism in Ancient Egypt

*From the Predynastic Period to
the End of the Middle Kingdom*
