Readers will gain valuable insight from the detailed assessments of the history of counterinsurgency that demonstrate which strategies have succeeded and which have failed, and why. Each section also provides an assessment of those operations, including in most cases an analysis of lessons learned and where appropriate, their relevance to counterinsurgency operations today. The set's coverage spans modern counterinsurgencies from Europe to Asia to Africa since 1900, and includes the ongoing counterinsurgency operations in Afghanistan today. Its wide international approach to the subject makes the set a prime resource for readers seeking specific information on a particular conflict, or a better understanding of the general theories and practices of counterinsurgency. **How to Study ...** Amos Russel Wells, 1900

**Rome in Twelve Coins** Gareth Harney, 2025-01-14. Hold the glory and infamy of ancient Rome in the palm of your hand in this extraordinary and accessible story of history's greatest superpower as told through humanity's most universal object: the coin. When Gareth Harney was first handed a Roman coin by his father as a child, he became entranced by its beauty and its unique ability to connect us with the distant past. He soon learned that the Romans saw coins as far more than just currency; these were metal canvases on which they immortalized their sacred gods, mighty emperors, towering monuments, and brutal battles of conquest. Revealed in those intricate designs struck in gold, silver, and bronze was the epic story of the Roman Empire. Now, with his novel and highly readable Philip Matyszak, author of *The Blood Red Sunset*, voice and engaging research, Harney traces ancient Rome's rise from a few huts on an Italian hilltop to an all-conquering empire spanning three continents through the fascinating lives of twelve remarkable coins. A unique and enthralling work of history for experts and casual history buffs. *The Academy*, 1888 **Building**, 1903 *The Builder*, 1903 **The Illustrated London News**, 1845
