Rock and Roll Cage Match Sean Manning,2008-08-26 Music defines us To return the favor we ll stick up with zealous passion for the performers and bands that we love and heap aspersions and ridicule upon people who dare to place their allegiances above our own In Rock and

Roll Cage Match today's leading cultural critics humorists music journalists and musicians themselves take sides in thirty of the all time juiciest who's better musical disputes Marc Spitz on the Smiths vs the Cure If the Smiths are it's James Dean the Cure are the Marlon Brando of modern rock Mick Stingley on Van Halen vs Van Hagar Eddie Van Halen single handedly sometimes quite literally conjured rapturous sounds and reinvented the idea of what could be done with a guitar with his sleight of hand As for the lyrics Where Roth had been nuanced and clever relying on double entendres and sexual innuendo Sammy was ham fisted and cloying and just downright embarrassing Gideon Yago on Nirvana vs Metallica Here is why Nirvana will always be a better band than Metallica It's not because they hit harder they do It's not because they are tighter they're definitely not It's because Metallica is fundamentally about respecting rules of metal of production of technicality and Nirvana is about breaking those rules down in the pursuit of innovation Metallica was metal Nirvana was something else Tour on Michael Jackson vs Prince Prince was the wild son of Jimi the younger brother of Rick James and Richard Pryor the ultrasexual black Casanova who told you up front that he had a dirty mind Michael held the opposite appeal His music was often about escaping through dance or being hopeful about the world Russ Meneve on Bruce Springsteen vs Bon Jovi I really truly mean it when I say Mr Springsteen no disrespect you are a legend But in the Battle a da Jerz when that thick chemical waste smoke clears and the overly sprayed mall hair parts the Jov man is the last man rockin Whitney Pastorek on Whitney Houston vs Mariah Carey Frankly dry recitations of figures are just too easily negated by simple things like say bringing up someone's horrible taste in choosing movie roles Watch I'll do it right now Yes Mariah has seventeen number one singles and Whitney only eleven But Whitney made The Bodyguard which is basically a classic and Mariah starred in Glitter a colossal suckfest of crapitude that should disqualify her on the spot
