Cole Key Machine Manual:

Office Equipment & Methods ,1962 *Coleridge's Blessed Machine of Language* Jerome Christensen,2019-06-30
Samuel Taylor Coleridge s prose has long confounded its critics In Coleridge s Blessed Machine of Language Jerome Christensen offers a reading of the prose which captures its pious perverse vitality and characterizes its rhetorical form Coleridge sought to expose the folly and legerdemain of those who have abused the blessed machine of language Christensen develops a framework for reading Coleridge s language by first exploring Coleridge s critique of David Hartley s philosophy of associationism Although Coleridge discredited Hartley s system he failed to devise a coherent alternative Lacking a firm grounding for his philosophical method Coleridge wrought a mobile fragmentary discourse which Christensen asserts is important to the Romantic tradition not because it is central but because it is brilliantly eccentric Christensen navigates the complexities of Coleridge s language in prefaces guides marginalia notebooks letters essays and manuals but chiefly in the *Biographia Literaria* and *The Friend* his major works in prose The *Biographia* he argues is best conceived of as marginal discourse a category that subsumes not only Coleridge s criticism of association but also the mix of deference and dominance in his engagement with Wordsworth s genius In *The Friend* Coleridge appears as the figure of the Friend mediator between the extremes of principle and prudence These extremes do meet in Coleridge s prose but the moral force of the encounter is vitiated by Coleridge s purely rhetorical resolution in the figure of chiasmus The chiasmus Christensen concludes is the trope that both shapes *The Friend* and propels the blessed machine of Coleridge s language *Machinery* ,1954-05 [Savings and Loan News](#) ,1962 *Smart Growth* Ernesto J.
