**College Placement Test Study Guide**, 2020 Helping Students Prepare for College Mathematics Placement Tests Carmen M. Latterell, 2007. Placement tests are rapidly joining the ranks of high-stakes testing, and college freshmen are required to take mathematics placement exams to determine their first mathematics course upon entering college. Unfortunately, these exams tend to place students in a lower level or remedial course. As a result, additional expenses are incurred, degree programs are extended, and scholarships, awards, and external funding are less likely. Helping Student Prepare for College Mathematics Placement Tests: A Guide for Teachers and Parents includes two sample placement tests, a guide that shows what entry course a student will be assigned with a given score, and explanations on material that students might have forgotten or never quite understood. This guide is sure to help students excel.
