but even all of these aren't enough to keep some of the worst of winter's bite at bay. If you want to make sure you are warm enough to face all of the elements you are going to have to break out the big guns. That's right, you need to bring out the mittens. If you are going to get your mittens done right, you are going to have to do one thing: make them yourself. And that is where this book comes in. As the weather begins to cool and you don't want to give up on your leggings for warmer clothes, leg warmers begin to look more and more inviting. Leg warmers are an awesome fashion accessory; they look good and they will keep those legs warm no matter what you pair them with. Get your crochet hook ready and pick up some yarn and embellishments from your favorite craft store because you are going to want to make every pattern in this book. You know that each snowflake is an original and now you can do the same with your very own creations. Snowflakes aren't hard, but they do take time. With this book, you are going to get just what you need to make the snowflakes of your dreams. Follow the easy patterns to make 10 different unique patterns that are just as beautiful as the snow that falls on your window panes. Using white, blue, and gold thread, there's no end to the ways you can express yourself with these snowflake patterns.
